

JUDGE TAYLOR BUYS TREE FOR ALEX SPARROW

The "Buy a Tree" campaign for the county fair community grounds is making good headway and with the number of trees already purchased when planted will make a very respectable showing.

Forty trees were previously reported as having been bought to which are added the following: Glenn O. Taylor subscribed for one tree to be planted in the name of Alex Sparrow; J. W. Elden of Central Point bought two which will be planted in the name of Rose Jones and Sara H. Elden; Whitsett & Jennings request two to be planted in the names of Zelma Alice Wahl and Fred E. Wahl, and Dr. M. C. Barber names two trees planted in the name of Newell C. Barber and Mercedes Russell.

This makes a total of forty-nine trees that have been bought and paid for up to date.

With more than fifty births in Medford last year and with the hundreds of children in Medford, there has been very little interest shown by the parents to buy a tree to be planted in their children's name. When both the trees and the children grow up there will be a certain pride that parents as well as the children will have in their particular tree. This will create more than an ordinary interest in these community grounds because of the part taken by the parents for their children in the beautification of grounds that belong to all of the people of Jackson county.

Subscriptions for the "Buy a Tree" campaign may be made at the office of the Medford chamber of commerce, with Mrs. Otto Winter, Frank Jordan and chairman of committees at Ashland; J. W. Elden at Central Point, Mrs. I. C. Williams of Talent, Mrs. T. J. Malengren of Phoenix, Louis Ulrich at Jacksonville, Sprague Reigel at Gold Hill, Mrs. I. T. Galligan at Roseburg, Mrs. Frank Brown of Eagle Point, and Mrs. George W. Barker of Butte Falls.

Complimentary indeed have been the comments of the press of the various cities visited by the talented comedienne May Robson, who Augustus Pigo, Inc. will present at the Page theatre Tuesday, Feb. 21st, in her newest play, "It Pays To Smile," a comedy in three acts, in which Miss Robson is said to have made a bigger hit than was accorded her in her famous play, "The Rejuvenation of Aunt Mary."

A UNION OF INTEREST TO WOMEN

Healthy Housewife—Happy Home

Lydia E. Pinkham's Vegetable Compound Has Helped Form Many

For the ailing, half-sick housewife such a union is impossible. Often times even the slightest form of housework cannot be accomplished. Yet the work must be done. Many women struggle along for years suffering from some form of female trouble that make their lives miserable and their homes far from happy.

Had Nervous Spells Horatio, Ark.—"I had nervous spells and awful bad feelings. My right side and my back hurt me all the time and I had been going down in health for six or seven years. For three years I had not been able to do my work without help. I weighed only 96 pounds when my husband's mother persuaded me to take Lydia E. Pinkham's Vegetable Compound. Now I heartily recommend it to all suffering women, as I have gained weight and health. I can do all my work, anything I want to do."—Mrs. Jim REARICK, Horatio, Arkansas.

ASHLAND W. C. T. U. MAKES PAYMENT CHILDREN'S FARM

ASHLAND, Feb. 8.—Not only has the Ashland unit of the Women's Christian Temperance Union bought outright five acres for the children's farm area near Corvallis, but the local branch has the further honor of making the initial payment by way of organization in behalf of this enterprise which is sponsored by the W. C. T. U. element throughout the state. The tract includes nearly 250 acres of tillable land, and in the transfer the price implied is \$269 per acre. The farm is to be a home literally, and not to be considered as a charitable or reformatory. It is an incorporated institution, with the W. C. T. U. as prime movers in its establishment. Eventually it is expected to be self-sustaining. Mrs. W. R. Davis has been elected president of the Ashland unit, in place of Mrs. Luella Stearns, who resigned the office. The home organization is on record as favoring this city for county institute gathering to be held the latter part of this month. Mrs. Alice Johnson, county president residing in Ashland, having charge of details respecting the institute reunion. Neither will the Frances Willard memorial service be forgotten, plans being perfected to hold the customary annual observance on Friday, February 17.

The daughters, Catharine and Louise, are bright young girls, both high school students and very popular with their schoolmates. "Are you going to San Francisco next June?" is a query being circulated by Hilda Temple to its members, relative to attendance upon the imperial council sessions of the Bay City next summer. This questionnaire relates to housing accommodations, the intent being to line up the membership who plan attendance, and assign them accommodations "with or without bath," at an early date in order to avoid the squish. Shriners receiving this circular in due season should take notice and govern themselves accordingly.

The Presbyterian church society of the Presbyterian endeavor conducted the evening service at that place of worship last Sunday. In response to the statement as to "what the church expects of the Christian Endeavor society," as propounded by Mr. Rob-

son, Walter Miksch, leader among the young debaters, countered and qualified this proposition by forcibly outlining "what the Christian Endeavor society expects of the church," and honors are said to have been easy as to the merits of the respective debaters.

In following up its "Americanization" propaganda, the daughters of the American revolution are represented by Mount Ashland chapter locally, will continue its prize contest in the public schools, the rewards for merit being either ten dollars in cash, or that sum as represented by standard books, as the contestant may elect. The themes suggested, as covered by a 1200-word essay, cover no less than eight topics dealing with vital questions as applied to national problems. The D. A. R. chapter is to observe Washington's birthday with the customary patriotic exercises, a fine banquet also being the usual accompaniment. This year the banquet feature lags somewhat, due to failure thus far in securing some civic or social organization to take over the management of the feed. Between now and the birthday anniversary date, however, this matter may yet be decided upon satisfactorily to all concerned.

HENRY M'GINN OF PORTLAND UNABLE ATTEND BANQUET

The following letter from Henry E. McGinn of Portland expressing regret that he will be unable to attend the Lincoln club banquet, Monday next, has been received by Bert Anderson:

"Portland, Ore., Feb. 6, 1922. My Dear Mr. Anderson: It was gratifying to you to think of me and to extend to me the cordial invitation which you did to be with you on Lincoln's birthday, February 12th inst. I have so many happy recollections of the Lincoln dinner of 1921 that I would gladly avail myself of your courtesy were it not well nigh impossible for me to be away from home. I regret more than I can tell you that I cannot have the privilege which is yours to hear it. If Dick Pusey is with you and has a poem or poem which are published you would please me under lasting obligations by sending them to me. With all best wishes to you and the Lincoln club.

"Ever faithfully, HENRY E. M'GINN." Mr. Bert Anderson of Committee on Entertainment, Medford, Oregon.

Ashland has 24 illiterate adults; Medford 14, and Klamath Falls 17. These figures are supplied by J. A. Churchly, superintendent of public instruction in a recent annual report. Among counties in the state Gilliam ranks the most favorably, having only 10 illiterates. Jackson has 108, and Klamath 275, but "Lo, the poor Indian" hovers over them. Among towns Hood River leads with only 10 adults who can neither read or write.
