The city council, which has been trying to hold a meeting for the past week or more, and has failed to do so because of the absence of Mayor Gates from the city and the lack of a quorum due to the illness of Earl C. KING BULGARIA SELLS ZOO TO BUY VICTUALS

SOFIA—These are hard times for the young King Boris of Bulgaria, who has been obliged to sell some of the animals in his private zoo and a lot of palms, vines and flowers in the gardens of his palace at Varna.

"Bulgaria is poor and so am I," said the King to the correspondent. Besides, I am too busy trying to re-establish my country in the good opinion of men and nations to give any time to my gardens and menagerie.

"I am now using the potato gardens to plant potatoes instead of flowers. In these lean and dark days it is largely a question of bread with us, not beauty."
