GRIM REAPER IS BUSY IN RANKS C. POINT FOLKS

CENTRAL POINT, Feb. 9.—(Special)—Friends here of Mrs. Kate T. Rawhauser, wife of Dr. J. L. Rawhauser, will be very sorry to hear of her recent death, after ten years of suffering, at the family home in Willows, Iowa. Dr. Rawhauser and family resided here some twelve years ago, and were well and favorably known in Central Point and in this valley. Mrs. Rawhauser is remembered as a devoted mother, a leader in all social and church work, and a woman of great kindness of heart and varied education and one who was known and loved always for her cheerfulness and big heartedness. Many friends here will be greatly saddened by the news of her death and to Dr. Rawhauser, and the children, Mrs. Jones (nee Anna Rawhauser) of Oakland, Cal., John Rawhauser, a student at the University of California, and little Leo Rawhauser, who resides with his parent, Central Point, extends her sympathy.

Joseph B. Holmes, well known and esteemed resident of Central Point for the past twenty years, after a long and distressing illness, was called to his reward, Saturday afternoon at the family home here. Death, in spite of the fact that he had been ill for many months, came as a great surprise to his many friends and family on account of the fact that Joe, as he was known, had made so many valiant efforts to throw off his illness and had so many times been the winner, that it was hoped he might again recover and for the few short years that were still his portion, be well, and in the evening of life be free from pain. A man of remarkable will power, an optimistic philosopher, and one of God's grandest noblemen, Mr. Holmes stood for all that was high and good and was known the country over as "Everybody's Friend". He endured intense suffering with great fortitude and resignation and never questioned or wondered why it was so, firmly believing that the ways of Him who is all wise were right. In all that he did his foremost thought and wish was to do right. His life was exemplary, his spirit admirable, and the world seems better for his living. No higher tribute could be paid him than the adoration, devotion and love which his widow and family hold for him. The funeral services were held at Weeks-Conger funeral parlors in Medford Tuesday afternoon and the body was that evening taken to Portland where it was cremated. Later a son will take the remains east to the land of his ancestors and at the place of his birth, in Chester, Ill., scatter them on the Mississippi river, which river he knew and loved, on account of having been engaged in steamship business there for many years.

Mr. and Mrs. J. Granville Love, who have been residents of Central Point for the past two years left the first of last week for Iowa where they will make their permanent home. During their residence here young Mr. and Mrs. Love made many friends and it was with a great deal of regret that they saw them go elsewhere to make their home. It is the hope of the entire community that success and good health will follow them wherever they go, and that in the years to come Central Point will again welcome them home, if only for a visit. Mr. and Mrs. Love were entertained much by their young friends here prior to their departure.

Mrs. Merrill Betts and small son, Billy, of Gold Hill visited the former's mother, Mrs. J. W. Welch here during the week.

The afternoon was spent inspecting the spacious and handsome new home of the hostess and in happy conversation and general good time. Everyone enjoyed a delightful afternoon. A large share of the dainty repast was reserved for the sick and distributed among them in the evening of the same day.

NEW EQUIPMENT LOUIE'S GROCERY

Louie's Cash Grocery has installed one of the nicest and most compact cookie and cracker cabinets yet devised to protect these products and bring them to customers in nice condition.

The case is pure white, and its clean appearance makes you hungry for the Tru-Blu cakes inside. It is metal and glass throughout, and whole boxes of cakes are put inside the individual drawers, making extra handling a thing of the past and keeping out moisture, dust, or excessive heat.

On top of the case shelves are arranged to carry a complete assortment of individual triple-sealed packages of cakes and crackers—and it is surprising how compact and attractive the bakery department has been made with this patented piece of furniture.

FORMAL OPENING ROGUE RIVER HALL MEMORABLE EVENT

ROGUE RIVER, Feb. 9.—(Special). The formal opening and banquet of the Rogue River community hall was a happy event for about 150 guests, and more would have come but for the unfavorable weather. The large, well-lighted hall, the glowing fire in the open fireplace, three long tables bedecked with white, and most beautifully arranged by the ladies, was a sight that greeted the guests as they filed in from the other part of the church.
