JACK BRITTON MEETS D. SHADE TONIGHT

NEW YORK, Feb. 17.—Jack Britton, who was whipping first rate pugilists before Dave Shade, of California, ever heard of a boxing glove will defend his world's welterweight title against the youngster in a fifteen round decision made here tonight. Britton is 37 years old and Shade is 19. Jack met David in Portland about a year ago and was floored once in the early sessions but arose to fight his way through the remainder of the ten rounds. The contest was declared a draw. Shade's aggressiveness has carried him to victory in a majority of his bouts. Britton has not been very active in the last year, excepting in a series of bouts with lesser lights.

LADIES LOOK YOUNG, DARKEN GRAY HAIR

Use the Old-time Sage Tea and Sulphur and Nobody Will know. Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold. Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Weyth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger. Weyth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
