Walking Under Difficulties

"Believe me, I suffered from stomach and bowel trouble right. This weakened me so that I could scarcely walk. I could do no work. This was my condition when I started taking Mayr's Wonderful Remedy on the advice of a friend. Now I am working every day and feel better than I ever did in my life. It is the only medicine that ever touched me." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At all druggists. Adv.

C. OF COMMERCE GETS BETTER MAIL SERVICE TO S. F.

The application of the Medford Chamber of Commerce to the Postal Department for a closed pouch service on train 52 has been granted and will begin on February 27 and be in daily operation except on Saturdays.

By granting of this application, the letters mailed after the morning train departs from Medford are delivered in San Francisco and points to the south twenty-four hours in advance of the present day service. This means that an answer to a communication sent from Medford to San Francisco, Oakland, Los Angeles or San Diego may be received in Medford twenty-four hours earlier than heretofore.

The department is congratulated in having arrived at this decision in a very short space of time after the application was filed. The service now is the best for Medford business men that it is possible to obtain between here and points to the south.

LOCAL JEWELER GIVES CLOCK TO FIRE DEPARTMENT

The city firemen have a brand new clock, and a crackerjack one at that, in spite of the city council, and there is nothing left for councilmen, led by Dr. J. M. Keene, to do in their chagrin except to go out in the garden and devour worms.

When Larry Schade, manager of the Reddy Jewelry store, read in the Mail Tribune last night of how the council had refused to provide the firemen with a clock, his big heart expanded as tears flowed from his eyes. After he had sufficiently recovered from this outbreak of emotion this morning he went over the store stock and picked out a fine large Seth Thomas regulator, eight-day calendar clock, which he presented to the fire department.

While the chief and firemen would appreciate the gift greatly they would have liked to have a cuckoo attachment to the timepiece, which they could have named Doc, and on which whenever the bird came out they could turn the chemicals.

The following card of thanks was drawn up by Chief Lawton:

To the Martin J. Reddy Jewelry Co.

In behalf of the Medford Fire Department I want to express to you our heartfelt thanks for the gift of the fine eight-day calendar clock, which you so kindly presented to us. It is indeed gratifying to be so generously remembered.

Very sincerely yours,

J. W. LAWTON, Fire Chief.

WASHINGTON, Feb. 24.—George E. APPLEGATE CAR RUNS AMUCK, 2 GIRLS INJURED

GRANTS PASS, Feb. 24.—Running amuck into a crowd of people at the corner of Sixth and E streets at 4 o'clock Thursday afternoon, a car driven by Herman Farra, of the Applegate valley, crushed Eva Foster and Helen McAllister, of New Hope, into the side of the Rivoli theater, injuring both girls quite seriously.

Eva Foster, aged 10 years, daughter of Jerry Foster, was the more seriously injured of the two, her right hip being broken in two places. Helen McAllister, aged 12 years, received severe flesh lacerations on both knees, but the examination indicated that no bones were broken. The broken hip of the Foster girl is being placed in a plaster cast, while the McAllister girl has been taken to the hospital where the torn flesh will be brought together and sewed while she is under the influence of an anaesthetic.

Herman Farra, whose car caused the damage, stated after the accident, that he became excited when he saw that his machine was running beyond control, and that he was unable to keep it clear from the crowd.

SKIING NOW FINE SPORT AT PROSPECT JIM GRIEVE STARS

There are 18 inches of snow at Prospect and fine skiing in that vicinity, is the word brought back to Medford by Mr. and Mrs. C. J. Seymour who returned home last night from a three days stay there.

"The snow is just right for ski sport," said Contractor Seymour today, "and Jim Grieve and I had some great fun yesterday. Donning our skis we went to a nearby hill and cut loose—at least Jim did, and he won't probably be altogether again until late spring. When he skis he skis all the way between the sky and the earth, going the limit.

"His fir spectacular display was when near the bottom of the hill he lost his control, the emergency brake wouldn't work and he plunged head first to his ankles in a deep drift, on the way down striking an oak tree with his head and knocking a big chunk off it—the tree.

"He was extricated, and climbed the hill again for some more sport. 'Let her go,' Jim shouted as his 250 or more pounds glided down the hill again on the skis. Half way down he came rattled and in trying to steady himself his skiis flew out from him skywards, the portly landlord whirling twice in the air and coming down with tremendous force, landing on some Union creek contracts in his hip pockets with a loud 'ugh!' as he struck. That ended the sport for the day and Jim was hauled home on a sled."

Mr. Seymour says the road between here and Trail is in fair shape for this time of year, but is bad between Trail and Prospect with mud and ruts, and with much snow between the Cascade gorge and Prospect.

GRIZZLIES PLAN BIRTHDAY DANCE

Final arrangements for the seventh birthday party of the Grizzlies, Medford's hiking club, similar to the Mazamas of Portland, were made last Thursday. The party will be in the nature of a dance in the small hall of the Natatorium next Monday evening, February 27th.

The various wild animals encountered by the Grizzlies on their outings of the past will be present in all their ferocity. A monster birthday cake and other refreshments will be served the latter part of the evening.

During the war the organization has been hibernating as does its illustrious god-father in the winter. Since many of the old members have departed for new haunts, the birthday party will be a public affair serving to show all who are or might be interested in hiking and outing parties what the club had to offer. It is promised that all who attend next Monday night will be greeted with a genuine grizzly hug, figuratively speaking.
