BRAND NEW SHOW TODAY!

Betty, Behave!

Aunt Sarah started all the trouble. She tattle-tailed to Father that Betty rolled her stockings at the knees, rouched her lips, was addicted to chocolate—and liked a good time. Then Father laid down the law. He told Betty that unless she behaved, he'd—he'd—well, it was something terrible, anyway!

But Betty Didn't

And that's the reason for this whole story.
