

NAT'L CENSUS OF MEDFORD LEGION STARTS MONDAY

All Veterans of World War and Women to Be Listed—Immediate Aid for Disabled Planned—Make House to House Canvass.

The national census of veterans of the world war recently authorized by the American Legion will begin here on Monday of next week when every ex-service man and woman in Medford and vicinity will be enumerated, according to announcement made today by George Coddins, post commander of Medford post of the legion and vice-commander of the state. The local part of the census will be carried on under the direction of Eimer E. Wilson, commander of Medford post with the assistance of the American Legion auxiliary.

A house to house and farm to farm canvass of every city block and township in Jackson county will be made. Every veteran will be interviewed, asked 43 questions and his answers recorded. When the national census is complete, national headquarters of the legion expects to have a concise and complete record of every man and woman who was in the service. This record will be invaluable to the legion in prosecuting its fight for the disabled, and for all classes of veterans who have unsettled claims of adjustments to make with the government. In the past two years the national service division of the legion has been instrumental in settling claims in favor of veterans totaling more than \$10,000,000.

Every veteran will be asked if he was wounded or gassed or injured by accident, if his health was impaired

QUIT TOBACCO

So easy to drop Cigarette, Cigar, or Chewing Habit

"No-to-Bac" has helped thousands to break the costly, nerve-shattering tobacco habit. Whenever you have a longing for a cigarette, cigar, pipe, or for a chew, just place a harmless No-to-Bac tablet in your mouth instead. Shortly the habit may be completely broken, and you are better off mentally, physically, financially. It's so easy, so simple. Get a box of No-to-Bac, and if it doesn't release you from all craving for tobacco, in any form, your druggist will refund your money without question. Adv.

in any way while in the service, and if he has received satisfactory medical treatment and compensation. It is known that there are many still suffering in various ways as a result of their military service, who have never been reached by the government relief. The services of the legion are laid at the disposal of all persons in this position.

There are other ex-service men in a more fortunate position, who have re-established themselves financially and can spare to their less fortunate comrades the benefits to which they are entitled under the pending compensation bill. These persons are to be asked if they will devote their shares of the government compensation allowance to aid their needy and disabled buddies. In this way the legion intends to establish a rotating fund for the relief of all whose needs are too pressing to wait on the course of government procedure. These will not be helped by the passing of laws. They need cars taken of their right now, according to local legionnaires. It has been a case of "let George do it" and "George" is now doing it.

This is the condition that the rotating loan fund of the legion has been designed to rectify, and the legionnaires are confident that the same old spirit that brought in wounded comrades under fire will not be found "around the corner" in the relieving of the ex-service man in distress today.

All veterans are to be sought out, whether members of any soldiers' organization or not. The matter of their membership in the legion is of no consequence. The fact is that there is no other organization of sufficient scope to undertake and carry through a national census of veterans, and with the very apparent need of such a census, the legion has taken it up.

The recording of what choice each veteran will make under the five alternatives provided for in the adjusted compensation bill will be a very important result of the census. This question is to be asked of every ex-soldier in the community. The bill offers the soldier his option of any one of the five following provisions for compensation: (1) Adjusted pay for the term of service put in. (Note: This feature may be eliminated); (2) A paid up 20-year insurance policy; (3) Expenses paid for vocational training; (4) A loan for the purchase of farm or home; (5) Application of a man's adjusted pay on the purchase of government improved land.

The adjusted pay is to be set at the rate of \$1.00 for home service and \$1.25 a day for service overseas. The face value of the life insurance offered is to be 3.33 times the amount that would be received by the same man as adjusted pay. His vocational training aid or farm or home loan would be 140 per cent of what he would receive in cash.

All back claims against the government are likewise to be entered in the legion census. If a man did not get his 150 bonus on discharge, he is requested to make it known. If the government owes him back pay, travel pay, if his allotments or Liberty bonds, have gone astray, if he has never received his Victory medal, he is to enter his complaint on the Legion questionnaire.

"We want to know everything that every ex-service man has got coming to him," is the word that has come from state headquarters at Portland. That is what the local post is going after.

ELKS' SHOW IS DECLARED TO BE VERY BEST EVER

From the moment the fifth annual Elks' minstrel show at the Page theater began last night with the soul stirring overture of the Elks Harmony orchestra, and the curtain arose, novelty followed novelty and for the next two hours and a half when not rocking the house with peals of hearty laughter the audience listened in entrancement to the beautiful singing of sentimental ballads by the soloists, chorus singing by the entire company accompanying the catchy ditties of the end men and soloists.

It was general sentiment that in every way the Elks' minstrel show this year is the best of the five, although that seems extravagantly impossible considering the merit of the previous shows. By all odds, however, the present show leads all the others in its music, vocal and instrumental, and in novelty of arrangement. True the performance lasted a half hour longer than was scheduled, but this was purely the fault of the enthusiastic audience in demanding so many encores. The performance outside of this moved with delightful precision. The company played together brilliantly as a unit despite its stars and star-features.

While most all the popular and stereotype features of minstrelsy for many years back, which the public demands and expects were there, the show this year is so pleasingly arranged that it all seems different. Compared with minstrel shows of the past, paradoxically as it may sound, the last part of this show comes first, and the first part comes last, etc.

Careful attention in this review is taken not to describe just what took place, in order to avoid dulling the anticipation of tonight's large audience, and of the people of Ashland, Grants Pass and Yreka, who will witness the show later in the week.

The comedy features are especially strong. All the old favorites in this line, led by the end men Larry Mann, Vernon Vawter, Jerry Jerome and Paul McDonald, whose make up, antics, songs, gags, quips and quirkiness kept the audience in hearty merriment. Each was a star in himself, but the outstanding star of the company was Larry Mann, who displayed so much comedy ability last year, but who was fairly brilliant last night in his versatility and fun making.

Jerry Jerome, another sterling favorite, unexpectedly took part last night, arising from a sick bed to do so, with his usual pep and vigor. It seemed to most of the audience, but to the initiated it was seen that Jerry was somewhat tired and lacked the spontaneity that has hitherto characterized his appearances.

Dividing honors with the end men was little Barbara Maybaw, whose clever dancing won much admiration and applause.

Another well liked comedy feature was the blackface sketch of Arthur Perry and Louis Ulrich, which aroused much laughter. Two handsome women added much mystery to the performance, especially the one who came out and did a cak dance. The well dressed and beautiful lady, was rosy checked John Moffatt. The clog dance lady, whose identity was not known even to most of the members of the minstrel show, is well known to the writer, who unhesitatingly announces she is no lady at all, but is a tobacco chewing, stogie smoking man who is often found loitering in local theater lobbies.

The hardest working member of the Elks minstrel show is Wilson Wait, leader of the fine orchestra, whose excellent all around work with the cues and accompaniments, contributed much to the success of the show, as did that of Tom Swem, the stage director, who designed all the stage settings.

The program is as follows:

Part I
 Overture, Elks Harmony Orchestra; Fordintra; or, a Tussle in Tin; introducing the end men, Lawrence Mann, E. C. Jerome, V. H. Vawter and P. B. McDonald.

The Antlered Quartette—Fletcher Fish, M. F. Sheets, Donald Newbury and H. W. Frame.

Moraine and Company in oriental mysteries, Jay Gore, assisted by Wolford Mikeche and Glen Laidley.

Home Brew Stuff, Arthur Perry and Lewis Ulrich.

Part II
 Ensemble by the entire company, introducing Miss Barbara Maybaw; Larry, Jerry, Vern and Mac; Geo. T. Collins as interlocutor; William Vawter, Fletcher Fish, Donald Newbury, in solos, and W. G. Domezgus, Eugene Narroagan, M. F. Sheets, J. J. Buchter, Paul Leonard, Geo. Gates, Geo. Maddox, Kenneth Jerome, Everett Drayton, Arthur Calles, Bob Wilson, H. W. Frame, Ted Fish and John Moffatt.

The musical numbers were: "Tuck Me to Sleep in My Old Tucky Home," "Melon Time in Dixie Land," "Wimmin'," "On the Gin, Gin, Ginny Shore," "Eve Cost Adam Just One Bone," "Rosemary," "When Frances Dances With Me," "There's Sunlight in Your Eyes," "Smilin'," "She's a Mean Job," "I Want My Mammy," "In Sunny Tennessee."

The Elks' minstrel under the direction of Vernon H. Vawter. The others of the staff are: Thomas Swem, stage director; Floyd Hart, advance agent; Wilson Wait, musical

C. M. THOMAS IS PRESIDENT STATE GAME ASSOCIATION

Jackson county sportsmen are well to the front in the new state sportsmen's league organized at Portland yesterday, the presidency of which came to a Medford man, C. M. Thomas, who is also the president of the Jackson County Game Protective Association. The Oregon Sportsmen's association is the name of the new state body.

The other officers elected are as follows: H. J. Horton, vice-president and director; Wilford Allen of Grants Pass, secretary and treasurer; E. C. Simmons of Eugene, director; Stewart McDonald of North Bend, director; D. C. Bowman, of Pendleton, director; W. McNealy of Klamath Falls, director; R. W. Price, Portland director. The above named officers and directors form the executive committee.

Nineteen counties of the state were represented at the organization meeting yesterday with delegates, and the future of the new state body relative to work in the interests of the conservation of the fish and game of Oregon and of fostering true sportsmanship seems very bright.

DISTRICT ATTORNEY HOOD RIVER QUITS, TOO MUCH MONEY

HOOD RIVER, Ore., March 14.—District Attorney Baker, who tendered his resignation, explains his action in a letter to Governor Olcott, which follows in part:

"During my term of office the past 14 months, I have piloted the Mount Hood loop highway bond issue in the sum of \$350,000, from inception to finish, unassisted. I prepared the dedication of the route for our county court to acquire the rights of way by condemnation, if necessary. Have prepared and begun five condemnation suits. Four more cases are prepared and ready to file and I have acted as advisor for the county court and right-of-way agent from the start to the present time.

"I have prepared and filed more than 80 complaints in justice court for various offenses.

"I have attended to all criminal and county matters in our circuit court, too numerous to mention. I have been at the beck and call of our county court at all times and have rendered opinions galore, both horseback and afoot.

"Neighborhood quarrels have had my undivided attention.

"Now, dear governor, do not misunderstand me. I am not averse to being in the limelight whatever that is, and I assure you that I delight in being a servant of the people. But I am also conscientious as well. My salary is \$100 a month. Out of it I pay my own office rent, stenographer, office supplies, long-distance telephone calls, postage and such overhead as smoking tobacco, and a 'life saver' now and then. I do not feel like accepting so much money for so little work. Every time my check comes I have that guilty feeling, which I cannot describe. It is something like—well, you know without my telling you.

"I would ask to be relieved at once, but the circuit court is in session and I want to finish the criminal cases on hand."

Petitions for the appointment of R. C. Glanville as Mr. Baker's successor are being circulated. J. W. Morton states that he will probably apply for the office.

Little Excitement in India Over Arrest

LONDON, Mar. 14.—(By Associated Press.) Press dispatches from Madras, Bombay, Calcutta and Lahore agree that there was little excitement in India over the arrest of the non-cooperationist leader, Gandhi, which had long been expected. The Morning Post's Madras correspondent reports that the Gandhists there organized a mob and made a bonfire of foreign-made cloth.

A telegram to the Times says the leading non-cooperators in the Bengal provinces welcomed the arrest because they say Gandhi will no longer be charged with escaping punishment while compelling others to suffer.

STOMACH MISERY, GAS, INDIGESTION, TAKE "DIAPEPSIN"

"Pape's Diapepsin" is the quickest, surest relief for indigestion, Gas, Flatulence, Heartburn, Sourness, Fermentation or Stomach Distress caused by acidity. A few tablets give almost immediate stomach relief and shortly the stomach is corrected so you can eat favorite foods without fear. Large case costs only few cents at drug store. Millions helped annually.

PEOPLES' ELECTRIC TO INSTALL RADIO RECEIVING OUTFIT

Medford is to have a radio receiving set with an amplifier which will give all the important concert speeches and entertainments on the Pacific coast to Medford people, according to an announcement by E. O. Alender, of the Peoples' Electric Store, today.

The radio set has been ordered of the L. C. Warner company and their representative, G. L. Collier, came to Medford today to investigate local conditions and announce that the shipment would be rushed with all speed, although the demand for radio phones is so great at present that the factories can't begin to meet their orders.

Alender plans to put up an amplifier similar to the phonograph amplifier at Weeks and Orr's and entertain people on Main street. He also plans to connect up with any big public meeting in the city and entertain the guests with whatever the coast affords on that evening.

The radiophone craze is now in full blast throughout the country. It looks as though the radio phones would soon be as common as telephones and automobiles. A great feature is said to be camping outfits which will allow people hunting or fishing in the hills to get the latest news and latest concerts without leaving their camp fires.

Indian Thinks He's As Good As Lawyer Or Judge On the Bench

YAKIMA, Wash., Mar. 14.—Jacob Yohyowan, Indian adjudged guilty of slaying his aged mother, was late Monday refused a new trial and sentenced by Judge G. B. Holden, to from two to twenty years at the state reformatory at Monroe. Yohyowan is youthful and admitted that he had previously considered killing his mother because "she had the power of the evil eye and those on whom she looked with hate died. I was afraid."

When Yohyowan was asked what he had to say in his own behalf, he reiterated the plea he had made before that he was so drunk at the time he is said to have killed his mother that he knows nothing of what happened. According to his lights, he said, he had lived as best he knew and thought that he was as good as his attorney or the judge on the bench that he was paying high for being that drunk.

GIRL NOW WELL AND STRONG

Daughter Took Lydia E. Pinkham's Vegetable Compound as Mother Advised

Wauseon, Ohio.—"My daughter always had backache and leg-ache at certain periods and could not be on her feet at those times. We read about Lydia E. Pinkham's Vegetable Compound doing girls so much good so she began to take it. That is two years ago and she is a different girl since then able to do any work she wants to do—although she is still careful not to do heavy work—and so well and strong. We recommend Lydia E. Pinkham's Vegetable Compound to all mothers with ailing daughters, and I give you permission to publish this letter as a testimonial."—Mrs. A. M. BURKHOLDER, Route No. 2, Box 1, Wauseon, Ohio.

Something out of balance will affect the finest clock, causing it to gain or lose. The proper adjustment made, all is well. So it is with women. Some trouble may upset you completely.

Lydia E. Pinkham's Vegetable Compound will correct the cause of the trouble and disagreeable symptoms will disappear as they did in the case of Mrs. Burkholder's daughter.

France Fights Over Daylight Saving Plan

PARIS—Town and country are waging battle in France to determine whether daylight-saving time shall be used here next summer.

Summer time has proved so popular to the townsmen that the decision of the members of the senate to suppress it has raised a storm of protest, and every effort is being made to bring pressure to bear on the chamber of deputies to reverse the decision of the upper house.

Leading newspapers are taking part in the campaign for summer time. They contend that the great interest taken in athletic sports of all kinds during the last three years is due almost entirely to this measure, which enables the worker in the office or the factory to get exercise in the open air after his day's labor.

IF BACK HURTS USE SALTS FOR KIDNEYS

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless, inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
