

GIRL HAD PAINFUL TIMES

Mothers—Read This Letter and Statement Which Follows

Portland, Indiana.—"I was troubled with irregularity and constipation and would often have to lie down because of pains. One Sunday my aunt was visiting us and she said her girl took Lydia E. Pinkham's Vegetable Compound and got well, so mother said she guessed she would let me try it. It is doing me good and I praise it highly. You are welcome to use this letter as a testimonial."

Mothers—You should carefully guard your daughter's health. Advise her of the danger which comes from standing around with cold or wet feet, from lifting heavy articles, or overworking. Do not let her overstudy. If she complains of headache, pains in back or lower limbs, or if you notice a slowness of thought, nervousness or irritability on the part of your daughter, give her careful attention.

Lydia E. Pinkham's Vegetable Compound is an excellent medicine for your daughter to take, as it is especially adapted to relieve just such symptoms. Remember it contains nothing that can injure and can be taken in safety.

JOFFRE TIRED OUT, BUT WILL APPEAR BLAINE CEREMONY

BLAINE, Wash., March 28.—Field Marshal Joffre, hero of the Marne, will take part in exercises at the international peace arch here at about two o'clock Thursday afternoon, it was announced by Mayor H. W. Hunter. Arrangements for the program were made late yesterday by Samuel Hill, who is with Marshal Joffre. The principal feature of the program will be a parade of ex-service men in uniform from all American Legion posts in Whatcom county. Canadian veterans also are expected to be in line. The ex-soldiers will be reviewed by Marshal Joffre at the peace arch.

SEATTLE, March 28.—Madame Joseph Joffre and Mademoiselle Joffre, wife and daughter of Marshal Joffre of France, who arrived yesterday from the Far East on the liner Silver State, were resting in seclusion today after their trip across the Pacific. No formal functions in their honor were scheduled for today and it was understood they would rest until the arrival Thursday or Friday of the marshal, who left the Silver State at Victoria.

The marshal, it was learned, was greatly tired by his official trip through Japan and the voyage and plans for his entertainment here will be withheld for the time being. It was not known today whether the original plan for formal ceremonies at the international peace portal at Blaine Thursday or Friday would be carried through, and it was thought he might make only an unofficial visit to the arch.

It was expected that the itinerary for his trip through Pacific Coast states would be made public in Victoria today.

DRUNKEN HUSBAND FATALLY SHOT IN PULLMAN S. ROOM

LESUEUR, Minn., Mar. 28.—E. C. Bell of Casper, Wyo., was fatally shot last night in a state room aboard a Chicago, St. Paul, Minneapolis and Omaha passenger train. He died here. Mrs. Bell, who is held without charge pending the coroner's investigation, told the authorities her husband had been drinking and that he had entertained a party of men in their stateroom from the time the train left Minneapolis.

The fatal wound was inflicted, she said, after her husband took a revolver from under his pillow and started shooting. She said she tried to take the gun away from him, "but he kept on shooting and then he went limp."

LADIES! SECRET TO DARKEN GRAY HAIR

Bring Back its Color and Lustre with Grandma's Sage Tea Recipe.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, one troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients in a large bottle, at little cost, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss. While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

BANK ROBBER SUSPECT SHOT BY POLICEMAN

PORT TOWNSEND, Wash., March 28.—Search for the bandits who robbed the Sequim State bank at Sequim last week and are alleged later to have shot and killed Ray Light, a logger at Discovery, was continued today by posse operating in the country between Center and Port Ludlow, on Hood canal. Efforts of the searchers were spurred by the offer of a \$250 reward by the Discovery Bay Logging company to "anyone killing either of the two bandits."

Belief that the men had escaped from the Discovery Bay region and were headed toward Port Ludlow was strengthened by the finding of tracks in an old logging road, abandoned for years. Jefferson county officials said they were confident the bandits were still within the cordoned off possession surrounding the whole district.

TACOMA, Mar. 28.—A man giving the name of Bill Jones, and suspected of being one of the men who robbed the State bank at Sequim of \$22,999 last week, was shot in the stomach near Puyallup yesterday afternoon by Frank Chadwick, a motorcycle policeman.

The shooting occurred at Clarks Creek, when Chadwick attempted to arrest Jones, who is probably fatally shot. Jones had money and papers on him that leads Puyallup officers to believe he was connected with the Sequim bank robbery and they are investigating the supposition.

Chadwick was informed that a suspicious man was in the vicinity of Clarks Creek and he found him asleep on the side of a road with a revolver by his side. He grasped him by the wrist.

"Let me alone, give me a fair chance. I'm a bad man," Jones declared, according to the report of Chadwick. At the same time he struck Chadwick three times and endeavored to obtain his revolver. Chadwick then shot the man in the stomach in order to save his own life, he said.

Jones confessed, police say, to a recent robbery in Tacoma after he was taken to the hospital at Sumner.
