

MEDFORD STUDENT GETS HIGH HONOR

Sharon C. Merriman of this city, a junior at the University of California has been elected to membership in the Phi Beta Kappa fraternity—the highest academic honor that can be conferred a collegian. It is generally bestowed in the senior year, and given for industriousness, thrift, studiousness, good fellowship and exceptional talents.

Mr. Merriman was recommended for the honor by one of his law professors and his election to the society came as a happy surprise. He was initiated at a dinner given by the Town and Gown club, March 22nd.

Merriman is a graduate of the Medford High school, and was valedictorian of his class. He is an orator of no mean ability, and a law student at Berkeley, where he has won high marks in his courses.

N. Y. Stocks

NEW YORK, March 31.—Selected or special issues made further substantial gains in today's very active stock market but high grade rails and industrials shared only moderately. Maize approximated 1,100,000 shares.
