

### Corns Vanish When Touched With 'Gets-It'

As a sponge absorbs water, so does "Gets-It" absorb and draw out of any tender corn, big or little, all pain and soreness. It never fails. "Gets-It" is the original corn and callus remover. Be sure to ask for it by name and refuse substitutes. Money back if not satisfied. Write for a free trial bottle to: M. Lawrence & Co., Inc., Chicago.

## RED CROSS THRIFT SHOP TO OPEN UP SATURDAY, 1 P. M.

The Thrift Shop is offering a large line of children's clothing. Many garments are partly worn and are priced very low. Some cunning little dresses have been made from unbleached muslin left over from war work hospital sewing.

Many other little garments of exceedingly good material and style have been reconstructed from out of date garments. Whether you are interested in buying or not come in and see what is being done.

The opening of the Thrift Shop is an effort being made to put the Red Cross upon a self-supporting basis, and whether it is a success or not, depends upon the support received from the public, both as to donations received and patronage from those who wish to buy. The opening is to be on Saturday afternoon at 1 o'clock, Sparta Bldg., upstairs.

## GRANDMA NEVER LET HER HAIR GET GRAY

She Kept Her Locks Dark and Glossy, with Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger. This ready-to-use preparation is a delightful toilet requisite and not a medicine. It is not intended for the cure, mitigation or prevention of disease.

## What's a "Cheap" Tree?

There's only one answer to that question. The BEST tree that money can buy is the only "CHEAP" tree there is, and that kind of a tree can always be had of us at a fair and proper price.

And again—there's only one place to buy good dependable trees—and that's of a reliable nursery which grows and sells its own products under the same guarantee of genuineness, quality, and condition as would four diamond or drug dealer.

We've grown, sold and delivered trees from Toppenish for 19 years. We are nurserymen exclusively—its not a side line with us to be dropped after we've made a quick "clean up" and get away. We're stuck to our job through thick and thin and the quality of our stock, the condition in which it reaches the customers and the results obtained have brought us an increasing number of customers every year.

You can't obtain "figs from thistles," nor expect good results from poorly rooted, carelessly grown and recklessly handled trees. Visitors to our packing house these busy days are astonished at the volume of orders being packed and shipped, and the uniform care and inspection given every order that goes out—and this season there are between twenty-five and thirty thousand orders.

More "bulk" doesn't make for reliability, but age and size does permit a permanent organization with trained employees at every vital spot—and that's what we have. Our departments from top to bottom carry employees who have been with us from five to fifteen years.

No peach borers, no bugs or pests, no fungus diseases, no cull stock grown or delivered by us. If we can't sell you good trees at a price that enables us to give you quality and service, we'll not book your order nor accept your money.

And your money is as good as your neighbors'. One price to all alike. No deviation.

Washington Nursery Co. Toppenish, Wash.

## BIG CELEBRATION VOITURE LOCALE HERE APRIL 8TH

Voiture Locale No. 165 of the 40 and 8, has been installed in Medford. This organization is a national organization connected with the American Legion and furnishes a field for lighter and more amusing work for legion members. In fact it is to the legionary what the Shrine is to Masonry and what the D. O. O. K. is to the Knights of Pythias. It is the only organization which is nationally recognized, sanctioned and officially endorsed by the legion. All officers of the American Legion and all staff members of the official organ of the legion, "The American Legion Weekly" are members of this organization which is the playground of the legion.

Other Voitures in this state are located at Portland, Salem, Hood River, The Dalles, Eugene and Bend. Only American Legion members in good standing are eligible for membership. The Voiture Locale is at present composed of 29 charter members as follows: Paul B. McDonald, chef de gare, (president); Warren D. Butler, chef de train, (vice president); A. J. Crose, correspondent, (secretary); Floyd H. Hart, commissaire intentant, (treasurer); Paul M. Leonard, garde de la porte, (sergeant at arms); Henry H. Pringle, George Gates and Milton E. Schuchard, gardes de prisonnier, (floor committee); George A. Coddling, garde aux Chevaux, special duty, (not K. P.); Elmer E. Wilson, Fred W. Scheffel, Bert R. Elliott, Thomas Swem, Sam M. Leonard, Carl Y. Tenagwall, Frank P. Carrell, Ralph P. Cowgill, Roland A. Hubbard, Ben Hilton.

The 40-8ers are anticipating great festivities on the 8th of April when 25 members of the Eugene Voiture will journey to this city via S. P. in a box car. The car will not be as small as the ones marked "49 Hommes X Chevaux" were in France and there will be plenty of room on the trip to shoot marbles and play casino. The Eugene delegation will be met by Wilton Waite's band, a banquet will be served and the initiatory ceremony to the members of the Medford Voiture will take place. The arrangements for a box car have been made with Passenger Agent Scott of the Southern Pacific at Portland. Applications for membership are coming in thick and fast as it has become known that only 29 new members will be admitted to the local Voiture at this time.

A meeting will be held this evening at 7:45 at the American Legion hall to complete arrangements for the coming day of the ceremonial.

## BARRYMORE GAINS POPULAR ACCLAIM

Ethel Barrymore's triumph in "De-classee" at the Columbia theater is complete. America's first actress has been supplied by Zoe Akins with an interesting play, a play with a big problem in a woman's life, and with a role that has all the complexity of the feminine nature.

The Columbia has been filled with fashionable throngs all week and the advance sale is enormous. More than 500 mail orders have come in for next week already from every part of northern California.

It is easy to understand the rush to see this great actress. She is now in the full maturity of her powers, and is yet young enough to look a girl of 18 if necessary. Her beauty is at its ripest, her voice like music, her command of the resources of the art of acting immense.

And she has a play that holds attention, intrigues the mind with its problem, and is splendidly acted by Miss Barrymore and her associates.—Los Angeles Times.

## THIS WILL INTEREST STOMACH SUFFERERS

Says Indigestion comes from an excess of hydrochloric acid.

A well-known authority states that stomach trouble and indigestion are nearly always due to acidity—acid stomach—and not, as most folks believe, from a lack of digestive juices. He states that an excess of hydrochloric acid in the stomach retards digestion and starts food fermentation, then our meals sour like garbage in a can, forming acid fluids and gases which inflate the stomach like a toy balloon. We then get that heavy, lumpy feeling in the chest, we crave sour food, belch gas, or have heartburn, flatulence, water-brash, or nausea.

He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast while it is effervescent, and furthermore, to continue this for one week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salt is used by thousands of people for stomach trouble with excellent results.

## Sports

SPokane—National Junior A. A. U. water polo tournament will be held at the Spokane A. A. C. May 26, according to Manager Joe S. Bain.

LONDON—Soldier Herace Jones, Canadian heavyweight champion, lost to Albert Lloyd, Australia, on a foul in the tenth round of what was to have been a twenty-round bout.

NEW YORK—New York athletic club team won the national A. A. U. water polo championship, defeating the champion Illinois team 7-4 to 2.

CHICAGO—John Fozek, Nebraska wrestler, defeated Max Orlando of Chicago in straight falls.

MILWAUKEE—Milwaukee selected as starting place for the 1922 national balloon race, start to be made May 31. Ten balloons entered.

HOUSTON—Dick Griffin, Fort Worth, outpointed Frankie Garcia, San Francisco in 12 rounds.

NEW YORK—John Weismuller, 17 year old aquatic star, equals new world's record for 220 yards, negotiating distance in 2 minutes, 19 and 1-5 seconds.

Fairbanks Departs from Usual Ideas

The film feature chosen for the entertainment of patrons of the Page theatre tomorrow and Sunday matinee and night is Douglas Fairbanks, "The Nut."

This picture is said to be a distinct departure from anything previously done by this ever-active star.

Portraying a love-lorn inventor, he invents his way into trouble and then invents his way out, all for the sake of a girl. The story is laid in Greenwich Village and furnishes a pictorial tour of this noted quarter.

Risks in "The Sea Lion"

"The Sea Lion," Hobart Bosworth's latest starring picture, which is now showing at the Rioito theatre, has a number of unusual sea scenes which involved a tremendous risk for the actors in the cast. Such realistic fights as that shown in the rebellion of the crew of "The Lair," of the whaling scenes and the rescues in a stormy sea, were not effected without a great deal of danger.

From these hazards the company emerged with the completed production which combines tense heart interest with fast action and a story of sea life. The picture will remain at the Rioito theatre until tomorrow night.

## AMUNDSEN FLIES TO WASHINGTON

WASHINGTON, Mar. 20.—Captain Roald Amundsen who discovered the south pole and who soon will start on a voyage of exploration to the north pole, arrived in Washington from New York shortly before three o'clock this afternoon in the metal monoplane which he plans to take with him on his arctic trip. The flight to Washington was made in less than three hours.

## VOLSTEAD ENDORSED BY CONSTITUENTS

WILMAR, Minn., Mar. 30.—Congressman A. J. Volstead of Granite Falls, representative of the seventh Minnesota district in congress since March 4, 1907, and author of the dry law bearing his name, was endorsed for re-nomination by the republican district convention here. The vote on the endorsement was by acclamation and was unanimous.

## LARGE OUTSIDE ATTENDANCE AT Y. W. C. A. MEETING

About 75 delegates from nine southern Oregon towns will arrive in Medford this afternoon and evening for the high school vocational conference under the auspices of the Student club of High School Girl Reserves of the Y. W. C. A. Mrs. G. H. Bohler of Eugene, formerly general secretary of the Springfield, Ohio Y. W. C. A., and Dr. Estella Warner, public health director of Portland public schools and Reed college, will be the special out of town speakers. The meetings are open to the public. Dr. Warner's talk on her experiences in Russia, at the banquet Saturday evening, and Mrs. Bohler's vesper talk at the Presbyterian church, Sunday afternoon, will be of special interest. Saturday sessions will be held in the high school.

## YOUNG FOLKS SING SUNDAY, PHOENIX

Special music by the young people's choir will be given Sunday night at the Phoenix church, consisting of choruses, songs, etc., followed by a short message by the pastor particularly to young people. Sunday morning there will be an announcement of particular interest to the people of the church, to be made by the session having a most important bearing on the future work of the church. This will be a marked innovation in the history of the Phoenix church, and will receive special action by the people of the church at the coming annual meeting.

The annual meeting of the church and congregation will be held at Clyde hall on Wednesday evening, April 5th, following a supper to be served without charge by the Ladies' Aid society. The Aid Society held its annual meeting on Wednesday of this week at which the officers for the past year were re-elected and much important business done, including action for further improvement of Clyde hall.

Reports for the year from all the societies and organizations of the Phoenix church will be given at the annual meeting next Wednesday evening. All members and friends of the church are asked to attend.

## Pimples Keep Young Men Down!

They Make Women, Too, a Puzzle! How S. S. S. Stops Skin Eruptions Positively.
