Protect Your Home and Family

Paint and Clean-Up is necessary for the protection of your health and the general appearance of the city, but it is also important to lock the barn before the horse is stolen by carrying a proper amount of insurance on your home, garage and other buildings.

BEGIN SPRING PAINTING NOW

In a little while you will be too busy with spring planting to paint, and as a result your house will have no protection from spring rains and summer sunshine.

Come on, let's put things in order. Our whole city can and should be made as clean and orderly as its cleanest home. Then we will have a safer, happier, healthier city.

Ambition in its highest conception is to dream big dreams and make them come true. The splendid ambition to have a city clean and beautiful is soon to become a reality by the co-operation of all the people.

Therefore, by virtue of the authority vested in me as Mayor, and with the hearty approval of many far-seeing and zealous citizens, I hereby proclaim the week of April 3rd to 8th as the Opening Week of a Continuous Clean Up and Paint Up Campaign.

Away with the rubbish piles! Banish the plague spots! Clean up streets and alleys! Mow the lawns and trim the vines! Repair, and paint every building that needs it! Beautify your lawns and premises by planting shrubs, bulbs and flowers.

We need this thorough cleaning and renovation. It is the sensible thing to do—for the health, safety, thrift, pride and happiness of all our people.

It is everybody's job. Every man, woman and child will be expected to help. Let there be no slackers. The Schools, Greater Medford Club, Chamber of Commerce and other organizations are asked to take part in the next week's campaign.

C. E. GATES, Mayor.
