NEW SPRING SUITS

The most extensive assortments we have had for many seasons are awaiting your approval in our apparel sections.

The sports influence is so strong this Spring that we find it showing unexpectedly not only in the jaunty little street suits of tweeds and burellas, but also in the more formal tailored suits.

So that, regardless of whether you buy an out-and-out sports suit or a tailored suit, you are going to get a lot of youthful dash and swagger this Spring! Suits of tweeds and burellas—smart new Spring colors. Manishly tailored Norfolk models emphasizing straight lines, with inverted pleats. Tricotine and serge in plain tailored models display many clever details.

The latest tweed suits—skirts, coats and knickers—are very popular.

The new Spring suits are priced from **\$22.50 to \$75.00**
