LACHMAN SHOWS WILL OPEN TONIGHT

Starting tonight and every night thereafter the Lachman Exposition Shows will be in operation on the lot opposite the Southern Pacific passenger station. The show is owned and operated by David D. Lachman, who, ever since the show's character came into vogue, has headed his own show. He says it has always been his aim to furnish good, clean and wholesome entertainment for the masses. The carnival is essentially the amusement of those who desire to purchase entertainment on the installment plan. One may spend an entire evening on the exposition show grounds and be well amused and not spend a single penny. It is a general meeting place and presents all the attractiveness of a big city amusement park, such as those who live in larger cities have the privilege of visiting at their pleasure. Cities of the size of Medford could not support a permanent amusement park and the shows like Lachman's give a taste of park entertainment. For the benefit of those who do not care to come out at night, school children whose sleeping hours must not be encroached upon the management will have all the riding devices open every afternoon.

agreed to pay over cash for the city warrants. The annual appropriation set aside for city auto camp ground purposes is \$1,000, none of which has yet been spent for this year, and this sum will be available at once for use in fitting up the new location for this summer and fall. The councilmen and merchants of the city are unanimous that the city can no longer provide half-way accommodations for the auto tourists, who spend many thousands of dollars in the city annually. Especially in view of the fact that the auto tourist travel this year is expected to break all records.
