BOGUS DOLLAR IS PALMED OFF ON MEDFORD DEALER

Jimmy Beddingfield was swindled to the extent of one dollar yesterday morning when a man entered the Beddingfield store on Main and Bartlett and made several purchases. He handed Jimmy a bright new dollar and walked out.

A number of bright coins are in circulation in the city as the high school students are in the habit of coating them with mercury. The man had been gone for some time when Jimmy finally became suspicious of the coin and weighed it. It weighed just a little more than half as much as a regular dollar and Jimmy called the police.

The coin is an almost perfect imitation as far as appearance goes, but in addition to being light it leaves the fingers black if rubbed briskly and at the same time emits an acrid odor such as is given off by rabbit metal under friction. It was dated 1896 and carried the "In God We Trust," "E Pluribus Unum," and the rest of the distinctive inscriptions.

The police have as yet found no clue to the man who passed the counterfeit dollar.

TRAIN HITS AUTO, 6 PEOPLE KILLED

VANCOUVER, B. C., May 8.—Six persons were killed last night when the automobile in which they were riding was struck by the Kettle Valley train of the Canadian Pacific railway westbound, near Mission City, forty miles west of here. The dead are:

Oliver DeRoche, prominent dairy farmer, whom the town of DeRoche was named for; Mrs. Rose McDonald, wife of D. A. McDonald of DeRoche; Alexander McDonald; Bert Gregory; Margaret Petland, Mission City; a man known as "Shorty."

BUILDING INCREASED 32 PER CENT IN 1921

WASHINGTON, May 8.—Building operations in the United States increased 32 per cent in 1921 over the previous year, according to a report of the department of labor issued today. Wholesale cost of building materials the report said, decreased 28 per cent in the same period, and the average total cost of one family dwelling was \$4,314 in 1920, compared with \$3,925 in 1921.

ARBUCKLE FILMS ARE CONDEMNED BY LOCAL CLUBS

The Southern Oregon Federation of Women's Clubs met in Grants Pass Saturday and took a positive standing against the presentation of Fatty Arbuckle films.

All clubs in the southern portion of the state were represented by about 100 delegates, and each club presented a short paper giving the work accomplished for the past year. Some of them showing wonderful progress, and many undertakings finished, and all showing splendid interest in club work.

Mrs. Ida B. Calahan of Portland, state president of Federation of Women gave a very inspiring and helpful address to all women. Also Sadie Orr Dunbar of Portland, addressed the Federation, making an earnest appeal to all club women to guard the health in the homes and to especially interest themselves in the defective children that might be cured if properly treated in childhood.

O. S. Blanchard of Grants Pass reached the heart of every woman when he spoke so stirringly on the "Isolation of Southern Oregon," and offered some plans for a remedy.

After the business meeting officers were elected for the coming year as follows:

President of federation, Mrs. J. Terrell, Talent, Ore.

First vice president, Mrs. Gordon MacCracken, Ashland, Ore.

Second vice president Mrs. Anna Clark, Rogue River.

Secretary, Mrs. G. R. Satchwell, Medford, Ore.

Treasurer, Mrs. P. B. Whitney, Grants Pass.

District organizer, Gertrude Malson, Grants Pass.

Splendid musical programs were furnished during the day and evening. Also a one-act play, "Overtones," presented by Laura Thomas Gannell, Grants Pass, which was excellent.

C. M. Thomas gave an address in the evening on "Law Enforcement," that was much appreciated by all present.

The Federation went on record for suppression of the Arbuckle films and wired Hayes to that effect. Many resolutions were made for the betterment of the community.

The federation voted to accept Talent's invitation to hold the next federation there in May, 1923.

The ladies of Grants Pass entertained all delegates at dinner and in many ways proved themselves delightful hostesses.

TALK ON FAR EAST FORUM WEDNESDAY

Oregonians I have met in the Far East will be the subject of an address by J. J. Hunsaker of Portland at the Medford Chamber of Commerce forum next Wednesday.

Incidentally, the conditions existing in the far east will be made known and as this is a live topic of the present moment, it will be interesting and of educational value.

The forum Wednesday will be the one hundredth and tenth and will be held at the Medford Hotel at a noon-day luncheon.

Fred Stone at Rialto

"Billy Jim" with Fred Stone, the noted comedian, as star, will be shown today and tomorrow at the Rialto theatre. It is a comedy-drama in a far western setting and provides the famous fun-maker with just the sort of screen vehicle that suits his inimitable talents. Mr. Stone appears as a cowboy who is in love with the daughter of a wealthy westerner and much of the humor centers in his efforts to win the girl, despite her reluctance to accept him. "Billy Jim" is clean, wholesome entertainment and Mr. Stone is responsible for some delicious humor.

"Tol'able David" Comes Again

To meet the public demand a return engagement of "Tol'able David," Richard Barthelmess' first starring vehicle for Associated First National Pictures which will be at the Page theatre two days beginning tomorrow matinee, is remarkable in several respects.

Not only is the story an unusual one, but it marks a new era in the selection of stories for the screen. It was written by Joseph Hergesheimer.

Koib & Dill Seats Selling

Seats went on sale for the Koib & Dill engagement at the Page theatre today at 12 o'clock, and the advice of the manager is that you secure them at once, as this will be the only appearance of these stars in the city this season and capacity houses have greeted them wherever they have appeared as the new comedy they are playing entitled "Give and Take," is conceded to be the best thing they have ever done and is just one big round of pleasure—fun, music and pretty girls predominate.

JUNIOR Y. M. C. A. MAKES SCHEDULE BASEBALL GAMES

Representatives of four churches met at the library at the call of the Athletic committee of the Y. M. C. A. last Thursday. Due to some misunderstandings, the schedule previously adopted for Junior games was revised and such changes as necessary made. Rules for eligibility are identical with those for the Senior league with the exception of the age. Boys under sixteen on January 1 of the current year and otherwise eligible are permitted to play in the Junior league. Games will be played at the Jackson school grounds on Wednesdays and Thursdays. The games will be called at 4:15 p. m. Any team not present with at least 7 men by 4:30 will forfeit in favor of their opponents. For the first three weeks of the schedule 5 innings shall constitute an official game. Thereafter 7 innings shall be so considered.

Following is the schedule adopted:

- May 10—Presbyterians vs. North M. E.
May 11—Baptists vs. South M. E.
May 17—Presbyterians vs. Baptists.
May 18—North M. E. vs. South M. E.
May 24—South M. E. vs. Presbyterians.
May 25—Baptists vs. North M. E.
May 31—North M. E. vs. Presbyterians.
June 1—South M. E. vs. Baptists.
June 2—Baptists vs. Presbyterians.
June 3—South M. E. vs. North M. E.
June 14—Presbyterians vs. South M. E.
June 15—North M. E. vs. Baptists.

N. Y. Stocks

NEW YORK, May 8.—Short selling aided in the further unsettlement of the stock market today. Offerings were prompted by adverse transactions and unfavorable domestic and international developments. Sales approximated 1,100,000 shares.

Table of stock prices including American Beet Sugar, American Can, American Car & Foundry, American Locomotive, American Sugar, American Sumatra Tobacco, etc.

Please remember that classified ads, locals and small ads are cash in advance. Bring in your ads and do not use telephone.

Don't Neglect Kidney Troubles!

Dropsy, Diabetes and Apoplexy Most Dreaded Diseases

Neglect of any derangements of the kidneys is dangerous in the extreme. Kidney trouble is Nature's warning against the approach of Bright's disease, diabetes, dropsy and apoplexy—all diseases that are eventually fatal in their effects. Read what Mr. A. Fillingim, R. F. D. No. 2, Wheeler, Ill., says:

"I was a great sufferer from kidney and liver derangements for several years. The pains in the back were almost more than I could endure, and the whole digestive system was upset. Through many medicines were tried, I never obtained permanent relief until I used Dr. A. V. Chase's K-L Pills. It is a pleasure to recommend so excellent a medicine."

You can buy Dr. A. V. Chase's remedies at all drug stores. To be sure of getting the genuine, see that portrait and signature of A. V. Chase, M.D., are on every box. This trade mark is your protection against substitutes and imitations. —Advertisement, 10

MEDFORD BEATEN BY GRANTS PASS IN CLOSE GAME

The Grants Pass jinx got a late start in the baseball game between the Medford and Grants Pass teams in the Climate City yesterday, but worked to perfection once it got started. Foley, local pitcher, had the Grants men eating humble pie for six innings, having allowed but one run up to that frame. Then the baseball jinx which Grants Pass seems to have on Medford broke loose when A. Droulette slammed one into the outfield for a home run and tied up the score. In the seventh canto with two men down, the Pass team had the best of the argument, which included two hits, an error, two walks and another hit into the tall grass, netting six runs.

The Medford infield pulled some snappy work and Hill worked well behind the bat.

Score: R. H. E. Medford 6 10 3 Grants Pass 9 10 3 Batteries: Foley and Hill; A. Droulette, Pernoll and C. Droulette.

Regarding Goats

Kidnappers: I do not care so much for losing the two lambs, but deny the accusation that I am not giving my sheep proper attention.

The two lambs that you stole from my corral, were orphans, and I was \$1 a share on common stock of record feeding them three times a day. Kidnappers, on hot milk, heated on a neighbor's stove. So I have good witnesses and would be pleased to have you start something. I will finish it for you if you are. And then I will know who you are. I have an idea that your neighbors know who you are.

You attempted to catch other lambs running loose but you could not run fast enough or you would have had more.

One of the lambs you got was crippled from birth. Neither of them were very strong but were receiving good care and I challenge you to make good your threat. FRANK ZUCCALA, 40 Central Point.

Standard Oil Dividend

CHICAGO, May 8.—The directors of the Standard Oil company of Indiana today declared a quarterly dividend of \$1 a share on common stock of record March 15.

Everybody Enjoys

Home-Made Bread

Why Not Make Some This Week—Here Is A Recipe Easy To Follow

WHITE BREAD

- 6 cups Flour 1/2 cup Kingsford's Corn Starch 1/2 cup lukewarm Water
1 1/2 teaspoons Salt 1/2 Yeast Cake 1 pint Milk, scalded 2 tablespoons Mazola

Scald the milk, cool till lukewarm and add Mazola. Sift the flour, corn starch and salt together. Dissolve the yeast in the lukewarm water; add it to the milk and stir in the dry ingredients. Knead on a floured board for twenty-five minutes. Place in an oiled bowl, rub the top very lightly with Mazola, cover loosely with soft cloth, and rise over night.

It is not necessary to purchase both a bread and a pastry flour. By using 1/2 cup of Kingsford's Corn Starch to 1/2 cup of any good flour the percentage of gluten is decreased and the starch content is increased so that home prepared flour will make a lighter and finer grained cake.

FREE! Ask your grocer or write Johnson-Lieber Company, Portland, Oregon, for beautiful folder of the new Kingsford Corn Starch recipe

America's Favorite Since 1848

"The Line Is Busy"

When the telephone operator tells you "the line is busy," this fact has been made known to her by an electric signal. With the thousands of calls in daily telephone traffic, if the operator, to secure this information, were compelled to listen on the line of the party called, prompt service would be out of the question.

This delay is eliminated by an electric device which in the fraction of a second automatically indicates that the line called for is in use.

When "busy" reports are repeated on successive calls for the same number, it is generally due to an immoderate use of the called line. The length of a telephone conversation is obviously beyond the control of the telephone operator. Have confidence in her when she makes the report "the line is busy."
