H. P. DAVISON'S SON GETS \$4,500,000

MINEOLA, N. Y., May 11.—Assemblyman F. Trubee Davison of Nassau county was left \$4,500,000 by the will of his father, Henry P. Davison, New York banker and philanthropist, which was filed for probate here today. The full value of the estate was not given.

H. L. WALTHER IS NAMED PRESIDENT FAIR ASSOCIATION

H. L. Walther was again elected president of the Jackson County Fair association at a directors meeting held at the chamber of commerce rooms. Fred Harris of Ashland, and Earl C. Gaddis were elected vice presidents. W. H. Gore re-elected treasurer and H. O. Frohbach who has been the acting secretary for more than a year was elected secretary. S. I. Brown was chosen as auditor.

From now on and until after the fair in September, the directors will meet regularly the second and fourth Wednesday of each month and such other special meetings as necessary. An executive board consisting of the president, vice-presidents, secretary, treasurer, auditor and one other director was created and given authority to act for the board on matters that required immediate decision.

The appointment of various committees by the president was ratified and these are now all at work on the improvement program planned.

The Jackson County Fair association is an incorporated body and is a non-profit sharing organization. Incorporation was necessary that contracts may be legally entered into.

The association cannot use the funds which the county voted for operating expenses as these must be spent for the permanent improvements such as buildings, etc. At the present time the association has only \$52.00 cash on hand and as a considerable amount of money will have to be spent in advertising the fair this fall, several financial plans were suggested and these will be given final consideration at the meeting on the 24th of this month.

The fair dates are September 13, 14, 15 and 16th and all entries will have to be made on the 12th. It is estimated that on a number of days parking space will have to be provided for 3000 cars and with an average of four persons to the car, an attendance on two or three days will at least be 12,000 people per day.

Farmers are asked to arrange exhibits for the biggest fair ever held in Oregon outside of the state fair.

Carpenter Heavy Favorite.
LONDON, May 11.—(By the Associated Press)—George Carpenter will enter the ring tonight a heavy favorite to win over Ted (Kid) Lewis in their ten-round match for the world's lightweight championship.

Jack Dempsey is here to witness the battle and is confident that Carpenter will have a walkaway.

While the weights of the men have not been given out it is believed Lewis will step through the ropes against a twelve-pound handicap, but his backers are looking for him to make up the difference by his gameness and ability to use both hands effectively. Lewis is expected to keep the milling at close quarters, to counteract the Frenchman's inclination for long range fighting.

The main bout, following five preliminary matches, is scheduled to begin at 9:30 o'clock.

Giants Increase Lead.
NEW YORK, May 11.—Southpaw Artie Nehf's pitching and timely hitting proved too much for St. Louis yesterday and the Giants have increased their lead to five and a half games by taking the second game of the western invasion from the Cardinals, 3 to 2. Nehf knocked in all of New York's runs.

Charley Robertson of no-hit fame, outpitched Carl Mays in a tight 11-inning struggle and the White Sox won from the Yankees 2 to 1.

New York, however, retained its slim margin over St. Louis at the top when Walter Johnson twirled Washington to a two to one victory over the Browns.

Connie Mack used four pitchers to stop Cleveland, 7 to 6, while Ty Cobb's Tigers made it three straight from Boston in a tight slugging bee.

Alexander was batted out of the box again and Philadelphia, with Lee Meadows in a tight form, blanked the Chicago Cubs, 4 to 0, while the Braves slugged their way to a 3 to 2 triumph over Cincinnati.

INDIANAPOLIS—Bob Martin, A. E. F. heavyweight, knocked out Soldier Jack Barrett of the Pacific coast in the first round of a scheduled ten-round bout.

WASHINGTON—Mrs. Marion Sanderstein Jessup defeated Mrs. Mollie Hurst Mallory, national and international tennis champion in an exhibition match on White House courts. Mrs. Jessup and R. Norris Williams won from Mrs. Mallory and Watson Washburn and Karl Behr defeated Harold Throckmorton.

BERKELEY—William T. Tilden, II, world's tennis champion won his matches easily and Vincent Richards, Yonkers, N. Y., third ranking player defeated Norman DeBack. William N. Johnston won from Clovet La Croix.

Belton, Leonard Matched.
NEW YORK, May 11.—Jack Britton, welterweight champion, and Benny Leonard, lightweight champion, were matched today for a bout to be fought about June 1. The promoters reserved the right to make it a 12-round no-decision affair for the Jersey City arena or a 15-round decision match in the New York coliseum.

Methodists—Blaker, Huey, Aitken, Pisk, Van Seoyoc, Chastain, Van Dyke, Spaiding, Newland, Harriett, Deuel.

Umpires—Wood, Mears.
The Baptist Juniors meet the South Methodists in the second game of the series tonight on the Jackson street ground at 4:15.

Don't Overlook These New and Important Uses for Kingsford's Corn Starch. Helps You to Save Money

IT is not necessary to purchase both a bread and a pastry flour. By using quarter cup of Kingsford's Corn Starch to three-quarter cup of any good flour the percentage of gluten is increased and the starch content increased so that home prepared flour will make a lighter and finer grained cake.

If your recipe calls for four eggs to one quart of milk, use three eggs, and for the egg omitted use half tablespoonful of Kingsford's Corn Starch.

For smoother, glossier gravies and sauces use a dessert spoonful of Kingsford's instead of a tablespoonful of wheat flour.

For lighter, flakier biscuits, pie crusts and muffins, make your pastry flour with one-fourth cup of Kingsford's and three-fourths cup wheat flour.

FREE: Ask your grocer or write Johnson-Lieber Company, Portland, Oregon, for beautiful folder of the new Kingsford's Corn Starch recipes.
