

Local and Personal

With the state primaries only two days away interest in the various contests is increasing in the city, and the contest between Newbury and Thomas for the republican nomination for circuit judge was at fever heat today with impromptu debates on the down town streets and in a number of business places wherever a group of men were gathered together. More interest is also being taken in the republican gubernatorial nomination contest.

Drink lots of water and stop eating meat for a while if your bladder troubles you.

Oregon juniper, once regarded as useless, is becoming one of the most costly woods on the market. When converted into small slats for making pencils, it sells for approximately \$270 per 1000 feet board measure, according to C. S. Hudson of Bend, one of the owners of the Bend juniper mill. The Bend mill employs 30 or more persons and supplies lead pencil stock to practically all the large pencil factories in the east, and to some in Europe.
