

BERTRAM SIMON, well-known photographer, of Tacoma, Wash., who says that since taking Tanlac with such good results he now knows why everybody is praising this wonderful medicine.

"When they told me about Tanlac it seemed almost too good to be true, but since taking the medicine I know for myself that all they said about it was so," said J. Bertram Simon, 1621 E. 46th St., Tacoma, Wash., a well-known photographer.

"I suffered from rheumatism in my shoulders for ten years and at one time had to go to the hospital. I was down in bed for months and hardly able to turn from side to side. I couldn't sleep and I don't believe I had a day free from pain. My appetite failed and I couldn't digest a thing properly. Gas made me have heartburn for hours after meals.

"In a very short time after I started taking Tanlac I actually felt like a new man. I am now entirely rid of rheumatism and my stomach is in first-class condition, while I have gained ten pounds and never felt better. I have recommended Tanlac to a number of people and I am always glad to say a good word for this remarkable medicine."

Tanlac is sold by all good druggists. Adv.

**GUY MARRINER, PIANIST, IS PROMISING FOREIGN ARTIST**

To Be Heard Here With Steelman-Marriner-Taylor Trio.

The New Zealanders are naturally a musical people. Surprising as it may seem they have reached a high state of musical development in this far-off corner of the world, and have produced some very fine artists who

have met with success on this side of the Pacific.

Chautauqua folks will have opportunity to hear one of these young artists. Guy Marriner, born and raised in New Zealand, will appear here as pianist with the Steelman-Marriner-Taylor Company. This young man has attracted considerable attention among the musical people of New Zealand, and also Australia, where his brilliant playing has stamped him as a young artist of rare talents. He is making his second tour of the Pacific Coast this summer.

# MEDFORD LEGION POST ADOPTS MEASURE AGAINST LAWLESSNESS

The following resolution was adopted, last night, at a meeting of the Medford Post of the American Legion:

Resolution passed by Medford Post No. 1, American Legion, May 16, 1922:

Whereas, the name of the American Legion has been used in the newspapers in connection with certain organizations in this community, the members of Medford Post No. 15 the American Legion wishes it distinctly understood:

1st. That as a post they neither endorse nor condemn the Ku Klux Klan as an organization, because as a post they know nothing for or against this organization.

2nd. That the post as a body collectively and individually most severely condemns the acts of lawlessness that took place in this community some six or eight weeks ago, because above everything else the American Legion stands for the maintenance of law and order.

3rd. The post is glad that no such acts of lawlessness have taken place in our city recently, and is confident that none will take place. It is also confident that it will not be necessary for the American Legion to take any further action.

A. J. CROSE, Adjutant Medford Post No. 15, American Legion.

It was reported by Sam Leonard, the

employment officer for the post, that the employment situation was growing better and that there were now more calls coming in for men than could be filled. This was pointed to as showing a tendency of employers to give a preference to the ex-service man where possible. However, as some contractors still seemed to favor the employment of foreign labor, a resolution was adopted recommending that all employers employing more than five people be required to make semi-annual reports to the labor commissioner as to the number of people employed who are not citizens of the United States.

Plans were also made for Memorial Day exercises which will include the dedication of two flags. The dedication of the flag recently presented to the Sacred Heart hospital, which was postponed, will be taken care of with a suitable program. The city has received permission to put a flag pole in the railroad park in front of the city hall and the post has agreed to take over the work of obtaining and erecting the pole and take charge of dedication exercises on Memorial Day. Further plans for that day's program will be made at a joint meeting of committees from the American Legion, G. A. R., Woman's Relief Corps and Spanish American war veterans to be held tonight.

## DUTCH JAKE, WELL KNOWN CHARACTER OF SPOKANE, HERE

Jacob Goetz of Spokane, Wash., a pioneer prospector of the Coeur d'Alene district of Idaho, and known to scores of people in the Pacific northwest as "Dutch Jake," is in the city for a few days visiting, on his way to California by auto, with his daughter and son-in-law. No more picturesque figure or more kind-hearted man ever participated in the affairs of the northwest. In the heyday of his career, he never refused a hungry man a meal and bed, and his charities to the needy were numberless.

Some of his epigrams, delivered on conditions in his home town, were classic of plain sense and humor.

"Dutch Jake" started life as a prospector, and the kick of a mule in the Coeur d'Alene revealed a rich cropping of ore, which afterwards developed into one of the richest mines in the district. A suit followed in which a decision was given that the owner of the mule was entitled to one-third interest. This was the start of "Dutch Jake" on the road to wealth.

Goetz is the owner of much real estate in the city of Spokane, including the Coeur d'Alene Hotel, a modern up to date hostelry, to which all good Idahoans go when in the metropolis of the Inland Empire. It is one of the most unique and commodious hotels in the world, and famous for the hospitality of its host.

"Dutch Jake" is known to scores of former Spokane people living in the Rogue River valley, who greeted him yesterday and today.

## NEW MOTOR RECORD ON CIRCULAR TRACK

LOS ANGELES, May 17.—Jimmy Murphy, Los Angeles automobile race driver, negotiated two laps on the Beverly Hills speedway yesterday at an average speed of 129.3 miles an hour, according to six stop watches which timed him. Officials of the speedway declared it was the first time a two mile per minute gait had ever been made on a circular course. The car Jimmy piloted is the one he intends to drive in the Indianapolis sweepstakes on Decoration day.

## 2000 CHICKENS AND ATTENDANT KILLED

PEEKSKILL, N. Y., May 17.—About 2,000 chickens and their attendant, P. A. Marshall of Lincoln, Neb., were killed today when two freight trains collided on a curve here. Traffic on the New York Central was tied up for about two and a half hours.

About 4,000 chickens escaped. Residents organized a big hunt. The tracks were carpeted with feathers.

Letters bring \$2,150. LONDON, May 17.—At the continuation today of the sale of Burdett-Coutts library, C. B. Barrett of Chicago paid \$2,150 for a collection of six hundred letters written by Charles Dickens to the late Baroness Burdett-Coutts.

## BABE RUTH GETS LIMBERED UP FOR BASEBALL ENTRY

NEW YORK, May 17.—Twenty pounds lighter than he was several weeks ago, Babe Ruth, almost a ball player again, was putting in his final preparation today for re-entering the lineup Saturday in the game between the Yankees and the St. Louis Browns.

Alternating with Ruth in the batters' box at the Polo grounds this morning—as has been the case every morning since the Yankees came home for a long stay—was Bob Meusel, fellow exile from the game.

The Bambino believes that he will break the home run record of 59 that he established last year, notwithstanding that he is entering the season when it is about one-fourth finished, and that he is not in the perfect playing form that he was this time in 1921.

Meusel, who batted out 24 four-baggers last season was not so confident of extending his own record.

"You never can tell," mused Ruth as he carressed his bat. "Accidents will happen. It isn't impossible for me to beat my last year's record. You never can tell."

## DANDELION JAGGS BARRED BY U. S. A.

NEWARK, N. J., May 17.—Dandelions are not fruit and hence cannot be legally used in the manufacture of wine for family use.

Dandelion wine addicts are responsible for this ruling, made public today by Collector of Internal Revenue Ferguson. Inquiries by those who feared dandelions might not be one of the fruit winestocks permissible for householders to use, caused him to send the inquiry to Washington, Collector Ferguson said.

## NO REST—NO PEACE

There's no peace and little rest for the one who suffers from a bad back, and distressing urinary disorders. Medford people recommend Doan's Kidney Pills. Be guided by their experience. Ask your Neighbor! Mrs. E. H. Morse, 243 S. Holly St., Medford, says: "My kidneys were in a bad condition and I had lumbago so badly I could hardly straighten my back. I suffered day and night and mornings my eyes were puffy underneath and my feet and ankles were badly swollen. Nervous headaches made me miserable and I suffered from dizzy spells. My kidneys acted irregularly, too, until I used Doan's Kidney Pills, but they helped me from the first and four boxes entirely removed all signs of the complaint." Price 60c at all dealers. Don't simply say to a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Morse had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. Adv.

## Washing Is Hard Work —HAVE US DO YOURS

Lifting of heavy wash baskets, tagging with wet clothes, the sudden change from the hot steaming laundry to the outdoors—these are the things that wear out women before their time. If you count the value of your own health and time, have us relieve you of this work.

We wash the entire bundle in soft, fleecy suds, rinse it in many changes of rainsoft water, iron the flatwork, starch those pieces that need it, and leave for you only the ironing of a few lighter things such as most women like to finish up themselves. Or, at a slight additional cost, we'll iron everything.

Phone and we will have our representative call.
