COULD HARDLY STAND AT TIMES

Hips, Back and Legs Would Have That Tired Ache

Everett, Washington.—"For several years I have had trouble with the lowest part of my back and my hips and my legs would ache with that tired ache. I could hardly stand on my feet at times. I was always able to do my work although I did not feel good. I saw Lydia E. Pinkham's Vegetable Compound advertised and having heard several praise it I decided to try it. I feel first-rate at the present time. It has done wonders for me and I keep it in the house right along. I always recommend it to others who are sick and ailing."—Mrs. J. M. SIBBERT, 4032 High St., Everett, Washington.

To do any kind of work, or to play for that matter, is next to impossible if you are suffering from some form of female trouble. It may cause your back or your legs to ache, it may make you nervous and irritable. You may be able to keep up and around, but you do not feel good. Lydia E. Pinkham's Vegetable Compound is a medicine for women. It is especially adapted to relieve the cause of the trouble and then these annoying pains, aches and "no good" feelings disappear. It has done this for many, many women; why not give it a fair trial—now.

With the indorsement of the city council, Mayor Baker today issued instructions to City Attorney Frank S. Grant to draw up a drastic ordinance, stronger than the state law, forbidding the wearing of masks on the streets or in public places. This, he said, is to prevent any demonstrations of the character attributed to the Ku Klux Klan in other states to protect the public against disorder either by klansmen or others. This step was taken following the issuance of temporary orders by the mayor through the chief of police Tuesday night that all persons wearing masks be arrested on disorderly conduct charges—Portland Journal.

OBITUARY

STINE—Emma Perry Stine died at Alta Bates sanatorium in Berkeley, Cal., May 3rd, 1922. She was a daughter of Mrs. Susie Stewart of Medford, Ore., and sister of Nettie Grover of Medford, Wm. Perry of Eagle Point, Harriett Allen of Seattle, Wash., Nellie Bowles and Elizabeth Wetthers of Spokane and Della Day of Yakima, Wash., and Lottie McQuoid of Oakland, Calif., where she had been ill for some time.

Mrs. Stine was born near Maread, Calif., March 5th, 1871, but moved to Jackson county, Oregon with her parents in 1872, where she grew to womanhood and had a large circle of friends who will mourn her loss. The last few years were spent in Oakland and the many friends and beautiful floral offerings at the funeral held here only bespeak the love everyone felt for her who knew her.

In Memory I cannot say, and I will not say, That she is dead, she is just away, With a cheery smile and a wave of the hand, She has wandered into an unknown land— And left us dreaming.
