The Medford high school baseball team defeated the Fort Jones, Calif. high school team yesterday by a score of 14-0 in a 7 inning game. The local boys played the best ball of the season. Reese pitched and the visitors secured comparatively few hits. Donovan did some clever base stealing and in conjunction with Johnston at third and Williams at second put out two men. Every man on the team played a good game. Three weeks ago the Fort Jones team defeated the locals by a score of 15-3. This gives an idea of the improvement in the local boys since that time. The field was wet yesterday and the ball was hard to handle. The Fort Jones boys were good sports and took the defeat in a good spirit. Their first baseman had a finger broken while practicing prior to the game.
