

EVERYTHING READY FOR CHAUTAUQUA OPENING FRIDAY

This is Chautauqua week for Medford and surrounding country. Chautauqua means a great uplift to the community. It brings to the city some of the best talent of the country. It furnishes entertainment and instruction for six days at a nominal cost. A single feature will often cost as much as the entire course when brought to the city outside of a Chautauqua. This is the case with an entertainment brought to Medford this week. No person can afford to remain away when eighteen concerts and lectures can be heard for \$2.50, which is only fourteen cents for each one. That figures less than going to the movies.

Tickets are on sale by many individuals in the city. They can also be had at different stores, and if any fall to get their ticket call up Mr. John Perl, chairman of the ticket committee, who will see that you get one. The price of season tickets advances at noon of the opening day, which is Friday the 26th. The single admissions to the course figure \$7.50. It is cheaper to get the season ticket, and when not used by one member of the family can be transferred to another in the same family.

The Chautauqua will be held on the site used by the Buklin revival meetings last year, opposite the city park. Children can get the benefit of the course for one dollar, also attend the Junior Chautauqua, which comes in the afternoons. A meeting of the general committee will be held this Monday at 7 p. m. at the library. A full attendance is urged. Those who have tickets should report at that time, or call up Mr. Perl before the meeting as to sales.

WEDNESDAY IS BUNDLE DAY FOR NEAR EAST

Do not forget that may 24, Wednesday, is bundle day for the Near East Relief. A call will call at your door and your bundle will be taken. Have it in plain sight. If you only have one garment to spare, let it go to help get some child into an orphanage for the coming winter. The receiving station is the Presbyterian chapel. If your bundle is not taken, send it or phone 389-J2, or Mrs. Mears 686-M.

Hoot Gibson at Rialto "The Main Street of the West," is Peter H. Kyne's famous story, "The Sheriff of Cinabar," which opened at the Rialto theatre yesterday under the title of "Red Courage," with smiling Hoot Gibson as the star. "Red Courage" is an epic of life in the little western mountain town, chock full of thrills and political intrigue. Peter H. Kyne has written a most realistic story around the battle of small town newspaper with little town political crookedness and intrigue.

Richard Barthelmess Scores at "Page" "The Seventh Day" is good enough entertainment for the seventh day and all the other six. While it might be stretching a point to say that it is the best entertainment the screen has ever had, there is little question but that Richard Barthelmess, who won his sensational spurs as star with "Tolaine David" has followed it up with a picture of unusual interest.

PASSING SHOW AT PAGE TOMORROW

The new "Passing Show," the great New York Winter Garden revue which will be presented at the Page theatre tomorrow night, weaves together a startling variety of amusement, both optical and aural, in colorful and unconventional manner. It interlaces sharp satire with uproarious burlesque; crashing salvos of jazz with lyrics that are light and airy; ultra-modern fashion creations with the Batiks of ancient India; blazing stage pictures with ensembles that are beautifully simple and dainty; stately minuets with the exotic dances of the Orient. It is indeed a spiced series of amazing contrasts.

H. S. GRADUATION EXERCISES HELD AT ASHLAND THURS.

ASHLAND, May 22.—Tradition has it that we will have no settled weather until after high school graduation, consequently the sooner these formalities are observed, the better. The date has been fixed for Thursday, May 25, at the armory, the hour being 8 p. m. At the present writing it does not appear as though there would be many rains to shower upon "Harold" and "Millie" figuratively speaking, on the graduation event. There will be a few preliminaries to commencement day in the way of social observances, one being a hard times party at the O. H. Johnson home on Monday evening, Tuesday being devoted to a brief resting spell. On Wednesday there will be a co-educational swim at Helman baths, with light refreshments, the girls to supply the buns and the boys the wine. Friday will be devoted to rest and diversion as fancy may dictate, but the social pace will be renewed on Saturday with the crowning event of the scholastic year, the annual reunion and banquet of the high school alumni association, which is a regularly scheduled observance included in the aftermath of commencement week. This will be held in the Eikesen's bridge whist rooms.

The formal program for Thursday evening is as follows: "Professional" Greenwald High school orchestra Invocation—Rev. Hiram Smith Music: (a) "Welcome to Spring"—Wilson (b) "A Song of Spring"—Stults High school glee clubs Class History—Caroline Tilton Music, "Anvil Chorus"—Verdi High school orchestra Address—Dr. H. D. Sheldon, dean education, U. of O. Presentation of diplomas—Mrs. Rosa Dodge Gale, Pres. board of education Music—High school orchestra Selected

The class of 1922 numbers seventy-four, probably the largest in Ashland's high school history, following being the individual personnel:

Commencement exercises this year come right in the midst of Chautauqua week, in fact a superabundance of events are to occur within the next few days.

The chamber of commerce gathering on Tuesday, in forum luncheon will take on added significance, terminating in a personally conducted joyride in the quarries of the Ashland Granite Co., southeast of town, where the property will be inspected. Cars will leave for the scene about 1:30 p. m. affording the pleasure of a motor trip incidental to the viewing of a plant of a newly incorporated industrial concern which promises important results in the development of local resources.

The election being over with, purposes of the K. K. K. can be discussed minus the contention which the recent primary stirred up. With this end in view, Dr. R. A. Sawyer, who holds an official brief for the principles and purposes of the order, will speak at a local theatre on Monday and Tuesday evenings this week, and all interested are invited to go and hear him define the plan of the Klan.

A mission which appeals to everybody, is the work performed by the Pacific Coast Rescue and Protective society, an organization which in no wise belies its title when it comes to a practical application of "rescue" methods. A representative of this society is in Ashland the present week in behalf of this mission, which though located in Portland, extends its beneficent protective assistance to all portions of the state in the exercise of its humane relief work.

E. V. CARTER TO BE SPEAKER AT FORUM LUNCHEON

E. V. Carter, the well known banker and public spirited citizen of Ashland, has been closely identified with every development that has taken place in Jackson county and at the present time is furnishing the leadership in the opening up on a large scale the granite quarries south of Ashland. Little is known by the general public of the quality of this granite or the extent of the deposit and therefore E. V. Carter will present facts regarding same at the members forum of the Medford chamber of commerce next Wednesday noon.

This forum will be another of the series of "Know Your County" so that when called upon, the members may intelligently speak of the resources which when developed will contribute to the prosperity of southern Oregon. Jackson county is slowly coming into its own by a constructive and conservative movement of its citizens. It was by a similar action that Los Angeles was made the big city of southern California and there is no reason why Medford should not be made the Los Angeles of southern Oregon.

BAPTIST ASSOCIATION TO MEET ON TUESDAY

The annual meeting of the Rogue River Baptist association will be held Tuesday and Wednesday of this week at Ashland. A number of delegates from the Medford Baptist church will attend. Rev. F. R. Leach is the moderator and preacher of the annual sermon. He will also deliver an address on "A Church Program and How to Work It." Mrs. George Whitman will deliver an address on China Wednesday afternoon at the women's session. The year closing has been the best in the history of the denomination for Oregon Baptists, in that more money was raised for missionary objects than in any previous year. A number of the churches have large building campaigns on, which will materialize the coming year. Among this number is the local Baptist church.

WRECKS NERVOUS SYSTEM WITH HEADACHE DOPE!

Victim Thankful for Recovery After Taking Well-Known Remedy

Any reliable physician will tell you that thousands of people are today suffering from various serious ailments brought on by the use of so-called headache tablets, powders or capsules. These remedies are only temporary in their nature and leave the system in an exhausted condition. Read what one victim of headache powders has to say on the subject:

"I feel that if anyone can recommend Dr. A. W. Chase's medicines I certainly can. I suffered for ten years from severe headaches, and although I took all kinds of headache powders they just relieved me at the time. I became very nervous and run down and everything seemed to trouble me. I have taken eighteen boxes of Dr. A. W. Chase's Tonic Pills and it has made an entirely new person of me. I felt that I could not have lived without them. I do not have one headache now for every

hundred I used to have, and my nerves are good and strong." Mrs. Lena A. Smith, Country Harbor Cross Roads, N. S. Dr. A. W. Chase's remedies can be obtained at any first class drug store. To be sure of getting the genuine, see that the portrait and signature of A. W. Chase, M. D., are on each box. This trade mark is your protection against imitations and substitutes. -Advertisement 6

Luscious Layer Cake or Dainty Cup Cakes

See how easy they are to make. Follow these recipes:

- CUP CAKE: 1 cup Sugar, 1 tablespoon Ginger or 1 cup Karo, 3 Eggs, 1/2 cup Mazola, 1/2 cup Kingsford's Corn Starch, 6 level teaspoons Baking Powder, 2 1/2 cups Flour, 4 level teaspoons Baking Corn Starch.

Cream sugar and Mazola together. Add eggs, beaten separately. Add spice and Karo. Beat in dry ingredients sifted together. Pour into gem pans and bake in very moderate oven.

LAYER CAKE

- 1/2 cup Mazola, 1/2 cup Sugar, 1 1/2 cups Flour, 3 level teaspoons Baking Powder, 2 Eggs, 4 tablespoons Karo, 1/2 cup Kingsford's Corn Starch, 1/2 teaspoon Vanilla.

Sift the flour, corn starch and baking powder together. Cream the Mazola and sugar together. Add the Karo, the beaten eggs, the vanilla and the milk and flour alternately. Beat well and bake in two layers in a moderately hot oven.

It is not necessary to purchase both a bread and a pastry flour. By using quarter cup Kingsford's Corn Starch to three-quarter cup of any good flour the percentage of gluten is decreased and the starch content increased so that home prepared flour will make a lighter and finer grained cake.
