

LITTLE WOMAN GAINS 15 POUNDS AND FEELS FINE

Mrs. Harvey Was So Run Down She Tipped Beam at Only 100 Pounds and Health Was in Wretched Condition.

"A friend of mine got me to try Taniae, and it proved to be the turning point in my health," said Mrs. Hattie Harvey, 2558, San Pablo Ave., Oakland, Calif. "I had an awful case of stomach trouble, of long standing. After eating the lightest meal, I became nauseated, could scarcely retain a thing on my stomach and gas would press up into my chest, nearly choking me, and causing my heart to palpitate dreadfully. I had splitting headaches, my back ached over my kidneys felt as though it would break in two, and I was almost frantic at times with my nerves. I could sleep but very little, and as I could find nothing to help me, I got so weak and run down I only weighed a hundred pounds. "But Taniae has simply made a new woman of me. I just feel fine all the time, and today I weigh a hundred and fifteen pounds. My gratitude to this great medicine is unbounded."

Taniae is sold by all good druggists. Adv.

MRS. R. A. HOLMES TEAM LEADS IN Y. W. C. A. DRIVE

The Y. W. C. A. financial campaign which started yesterday is progressing splendidly. Teams were at work all day canvassing business and residence districts, and over one-third of the budget was raised the first day. There is great competition among the teams. Yesterday the prize was awarded to Mrs. R. A. Holmes' team.

The workers have met with fine enthusiasm and support among the people of the town. Very few have felt unable to give at least a small contribution to the association. This shows that the people of Medford are wholeheartedly in favor of the Young Women's Christian Association, that they realize the splendid work it is doing and are willing to do their part to enable the work to be continued.

The Y. W. C. A. stands for all that is best in the young womanhood of America. It keeps before the girls the four ideals of health, knowledge, spirit and service. The Medford Y. W. C. A. has provided various educational classes for the women of Medford. It has provided girls with a recreation room and a place to make friends. Men have many club rooms for themselves—the Y. W. C. A. is the only one provided for the women.

The majority of people in Medford have shown, both in this drive and in others that they are interested in helping the Y. W. C. A. carry on its work. Have you done your part? If not, it's your turn now.

Woman Blamed by Her Family

Hesitant, irritable, nervous, excitable and exacting is the charge against her by those nearest and dearest. How little they realize the struggle the overworked wife and mother is making to keep about and perform the hundred and one duties that devolve upon her! Every hour her head aches, back aches and pains drag her down until she can stand it no longer. Lydia E. Pinkham's Vegetable Compound has restored more women in this condition to health and happiness than any other medicine. The grateful letters we are continually publishing in this paper from women who have found health by its use prove it. Adv.

RESIDENTS ASKED TO PREPARE ROSES FOR ROSE SHOW

Special attention should be given by residents of the valley to their roses so that they are prepared to exhibit perfect specimens at the coming Rose Show which will be held on June 14th during Prosperity Week.

It is estimated that fifty per cent of the present population of the valley were not residents here at the time the last Rose Show was held and never having seen such an exhibition, they do not realize the extent to which rose culture is practiced and the perfect bloom which they attain.

The Rose Show is the means of building the civic pride of the community and a display of this kind encourages people to increase their interest and care in the culture of these flowers.

Loving cups and ribbons will be the awards to the prize winners at the show and before very long a premium list will be published. There will be no charge to enter into the competition, nor will there be a charge to see the exhibition. The Greater Medford club has supervision of this display.

HOWE CIRCUS LOWERS PRICES

Cheer, dada, cheer! Circus admission prices are following the trend of other luxuries and necessities in tumbling from the wartime pinnacle.

It remained for the Howe's Great London Circus to establish the precedent of restoring the old familiar 50 cent admission price into the "white tent," and the strain on father's pocket book consequently will be considerably lightened.

The circus will appear in Medford for afternoon and evening performances on Tuesday, May 30. Their winter quarters are now at Palo Alto, California, where they started the season's tour on March 23.

They will cover an itinerary of 25,000 miles, before returning to winter quarters. The performance is given in three rings and from reports of the press in cities played recently is most pleasing.

CRATERS SUPPORT GOLF CLUB IDEA

Unqualified support of the projected Medford golf course was pledged by the Crater club at their meeting last evening and activity on the part of a committee appointed to co-operate with those interested in the matter will begin at once.

A feature of the evening was the Elks' saxophone sextette which rendered some pleasing melody.

The Craters were informed of the plans for "Prosperity Week" and will probably co-operate with that movement which already has a flying start. The report of the picnic committee was unacceptably and a further report from that body will be forthcoming. Carl Tengwald as chairman reported that the plans outlined called for a picnic under the Bear Creek bridge and the members of the committee were accordingly fined for their unseemly levity.

GREB WINS TITLE FROM GENE TUNNEY A. E. F. CHAMPION

NEW YORK, May 24.—Harry Greb today was holder of the American lightweight title as a result of his victory last night in fifteen rounds with Gene Tunney of this city. And now Harry wants to meet Georges Carpentier for the world title.

Greb started against Tunney in his usual whirlwind fashion and soon knocked the New Yorker's countenance with sharp hooks and long swings. Greb opened a cut on Tunney's nose and cut both his eyes. Then Tunney slowed the pit-burger for a spell with hard body punches.

Recuperating quickly Greb launched an assault after assault for the head and body, and while his punches were not as hard as those sent in by Tunney, they were in the majority. The "Bearcat" was always on top of his opponent and was the aggressor in most of the rounds. Against Greb, Tunney displayed some of the courage that carried him to fistic titular honors in the American expeditionary forces in France.

It has been reported that Carpentier will come to this country this year to defend his world lightweight title against any man selected. Greb, after his victory of last night, expressed willingness to meet Carpentier at any time.

Page Features Pauline Frederick

Brilliant in characterization, vivid with the life of the open country of the west, "Two Kinds of Women," with Pauline Frederick in the stellar role, stands forth as one of the really big productions during the last several months. It is the feature attraction at the Page theatre. Supporting Miss Frederick in this gripping picturization of Jackson Gregory's novel, "Judith of Blue Lake Ranch," is one of the greatest casts ever assembled for a motion picture production. Among the well known players are Tom Santschi, who has the leading male role of Bud Lee, Charles Clary, veteran actor who has had many notable roles in films; Otis Harlan, fun-maker on the stage and in pictures; Clarissa Selwynne, Dave Winter, Jean Calhoun, Jack Curtis, Billy Elmer, Sam Appel, Joseph Singleton and Eugene Pallette. Still another outstanding feature is the skillful development of the story under the supervision of Director Colin Campbell.

"The Gray Dawn" at Rialto

Those who enjoy the books of Stewart Edward White will be glad to know that his novel, "The Gray Dawn" has been screened and will be presented at the Rialto, beginning tonight. It is a story of California in the early days when various factions were struggling for political supremacy in that state. Unusually attractive scenery, historical background and a capable cast make this picture one well worth seeing.
