BRINGING UP FATHER

SEATTLE BENEFITS BY R. R. RATE CUT

WASHINGTON, June 10.— The inter-state commerce commission has found justified proposed proportional class rates which are lower than existing corresponding local class rates from Seattle and Tacoma to Portland on commodities destined to certain Willamette valley points and from Portland to Seattle when destined to points north of Seattle.

The decision will enable Puget Sound cities to compete with San Francisco shippers in the Willamette valley and a few points north of Portland.

N. Y. Stocks

NEW YORK, June 10.—Extensive offerings of oils, motors, coppers, equipments and a wide variety of miscellaneous issues at extreme declines of one to almost five points featured the week end session of the stock exchange. The decline also took in some of the investment rails, including Union Pacific, Canadian Pacific and Delaware, Lackawanna and Western. Rallies from lowest levels were made before the close on the strength shown by Mexican Petroleum but the net rise showed a preponderance of considerable recessions. The closing was heavy Sales approximated 700,000 shares.
