### SALTS IF BACKACHE AND KIDNEYS HURT

Drink lots of water and stop eating meat for a while if your bladder troubles you.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.

### DEATH LIST N. Y. GALE INCREASES, PROBES STARTED

NEW YORK, June 13.—The death list resulting from the cyclonic storm that smashed and swirled its way through New York and its suburbs Sunday evening continues to grow. The known dead now total 45, with 16 other persons reported missing. Police launches continued to grapple today for bodies of those still missing after the storm left Long Island sound off City Island strewn with wrecked and capsized boats. At least 40 visitors to City Island were drowned in the disaster and the police are convinced that the death list will reach as high as 70. It will be days before the total loss of life will be known.

The Bronx grand jury has started an investigation of the wreck of the Ferris wheel at Clason's Point in which seven were killed and forty other visitors seriously injured. Officials will examine the wreckage to see if the huge device was originally constructed along safe lines. The owner, who was arrested after the tragedy, will face the grand jury today. The physical damage resulting from the twisting winds runs into millions. Electric light and power lines were destroyed for miles as the poles bearing the cables snapped in the blasts.

### WANTED—OLD TIME HOOP SKIRT FOR THE DAYS OF '49

Is there an old-fashioned hoop skirt in Medford? Also the question arises, is there a pair of man-size boots—the kind that requires a boot-jack to extricate the wearer? Any lady that can put in an appearance at the American Legion's day of '49 celebration Thursday night at the Natatorium, tossed out in a hoop skirt, ought to win the ten dollar prize offered by the Legion for the most appropriate ladies costume. And any man who has a pair of boots of the bootjack variety ought to take first prize money for the most appropriately dressed gent.

Did you ever trip the light fantastic to the music of a "fiddle" and a "melodion"? You can try it Thursday night, for besides Herb Launspach's full jazz orchestra, there will be some old-fashioned dance music. Those of a sporting turn of mind will be able to find diversion "playing the wheel" and at other games of the old wide-open days. There will be refreshments both liquid and solid for the hungry and taking it "by and large" as the feller says, the legion boys figure it will be a big night.

### Order Klan Sheriff To Quit His Office

BEAUMONT, Tex., June 13.—Tom Garner, sheriff of Jefferson county, was found guilty of official misconduct and ordered removed from office in an instructed verdict returned by a jury in district court here. Judge Street, in instructing for the verdict, said the fact that the officer had become a member of the Ku Klux Klan was in contravention to the oath he took as sheriff. Counsel for the sheriff protested that there was nothing in the Ku Klux oath in conflict with the duties of a sheriff, but the court decided the oath of the Klan was in effect to "deceive the ignorant and unwary."

### ENGLAND PAYS FOR DAMAGE IN ERIN OUTBREAKS

LONDON—While the Irish people burn buildings and destroy property in Ireland, it is the people of the sister island who have to pay the bills. Part of these costs are taken from the national treasury by parliament and part are voluntary contributions given to the funds being raised in England by the sympathizers of sufferers in both sections of Ireland.

The Irish Secretary, Sir Hamar Greenwood, recently proposed in the house of commons a grant of 750,000 pounds as compensation for damages to property in northern Ireland during the disorders of the past three years. During the excited debate which followed he explained that by agreement between Colonial Secretary Churchill, and Sir James Craig, prime minister of the Ulster government, the British government promised to pay Ulster \$1,500,000 for damages committed up to the first of January. This does not cover the amount the national treasury will grant to Ireland by any means. Sir Hamar Greenwood told the house there would be also an appropriation of another 1,500,000 pounds for relief work for Catholics and Protestants in northern Ireland, as well as a further estimate of 2,000,000 to compensate Crown employees, most of whom have lost their positions through the establishment of the new government. The total awards made by the courts in Northern Ireland to persons who have suffered damages amount to 2,000,000 pounds, so that with the British government defraying 1,500,000 pounds, there will be 500,000 pounds for the Ulster government to deal with. Hence the grand total of damages to be paid to individuals by the British government for the civil war, or civil disturbances in Ireland, is about 10,000,000 pounds.

### WORN OUT AFTER SHE COOKED A MEAL

Took Lydia E. Pinkham's Vegetable Compound—Read the Result

Cincinnati, Ohio.—"I suffered for a year with nervous troubles and irregularities before I took Lydia E. Pinkham's Vegetable Compound. My back ached all the time and I was unfit for housework. I was worn out if I cooked a meal, and was unable to do my washing. My girl friends and my sister told me if I would take your Vegetable Compound and Liver Pills I would be relieved. After taking the first bottle I felt better, and neglected it awhile, but found I could not do my work until I was stronger. So I took the Vegetable Compound again and now I am the mother of a 19 months old boy. He is fat and healthy and I am sure I could never have carried him if it had not been for your Vegetable Compound. I recommend your medicine to all women although I am young to be advising some one older."—Mrs. CHRIST, PETROFF, 318 W. Liberty St., Cincinnati, Ohio.

Lydia E. Pinkham's Vegetable Compound contains no harmful drugs and can be taken in safety by any woman.
