OHIO SHRINERS TO STOP AT ASHLAND FRIDAY, FOR HOUR

ASHLAND, June 14.—Although retrospective, as applied to the big Shrine gathering at San Francisco this week, a memorable incident connected therewith will be the visit here on Friday of this week, June 16th, of Al Koran Temple, Cleveland, Ohio, returning home to the old Buckeye state from the Golden Gate. In two special trains, the stop at this terminal being of two hours' duration in the afternoon of that date, Al Koran carries one of the finest band organizations in the country, and a splendid concert from this musical aggregation is in prospect. The hours of the stopover here are from 3 to 5 in the afternoon, approximately, and this interval will be a lively one. Ohioans in general are reminded of this appointment and urged to be present. Watch further announcements in local papers. Additional interest is connected with this event due to the circumstances that D. B. Grant, former well known citizen, is prominently identified with the Al Koran band, having been in Cleveland for several months past, assisting in perfecting arrangements for the trans-continental tour under Shrine auspices.

The fireworks ordinance will be honored in the breach more than in the actual observance, due to pressure being brought to bear in the matter incident to the celebration period July 3 and 4. Of course, no indiscriminate recklessness will be tolerated, but a sort of free license influence will be permitted within such due bounds as a liberal interpretation of the state enactments may permit. Consequently, Young America will probably be authorized to go ahead and shoot, as far as firecrackers and other celebration adjuncts are concerned. In other words, the close season for minor explosives will, for the time being, be an open one, greatly to the relief and edification of the young folks to whom a Fourth without firecrackers would be an unwelcome holiday.

First Company left on Wednesday morning for the big encampment at Fort Worden, Wash. Rank and file numbered approximately 70, fully equipped for an experience which will merge a fine holiday outing with a minimum of exacting duties. Quite a number of local business men are already away from town, but they have arranged for extra help in order that their employes may attend the encampment.

Mr. and Mrs. Floyd Carter, newlyweds, will remain in Ashland during the summer vacation at least. The bride was formerly Miss Susanne Homes, and is at present our well known superintendent of schools of Jackson county.

Representatives of the Niver family, including the Misses Florence, Mary and Lucy, have returned this early from an outing by the seashore in the vicinity of Newport.

Seventh, eighth and high school subjects will be dealt with at the session of a summer school which began June 12 at the high school building, continuing for several weeks.

The Perozzi family will have their summer outing on a ranch in Lane county, in the vicinity of Eugene.

Kenneth Lilly will graduate from Stanford University next week. He has chosen law as a profession, and on July 1 will be identified with a prominent legal firm at Sakersfield, Calif., having completed the full six year course in accordance with University requirements.

Hillah Temple's patrol was the first Shrine organization to reach San Francisco preliminary to welcoming other units from all over the country, being the right bower of Islam Temple in acting as escort to other organizations as they arrived at the main terminal seeking their respective locations. The Examiner has been stressing various phases of the Shrine golden jubilee, both as to illustrations and descriptive text. "Pop" Weisenberger, standard bearer of the patrol, is in the limelight on the paper's front page and elsewhere, his portrait being very familiar. Capt. Chapman, also Lieuts. Tengwald and Bromley are easily recognized, in addition to others of both rank and file. Hillah is being given a royal reception at San Francisco headquarters of a majority of the delegations being at the Hotel Alexander, here they are receiving every attention, their reception being a most flattering one.

Incident to expansion, as applied to plenty of space on which to install his new wholesale grocery establishment, H. G. Enders has secured the Elmer Smith lots on Oak street, in addition to other property heretofore transferred to him on this account.

Mrs. Helen Silsby, former well known resident, but who for years past has lived in Cottage Grove, died recently, and will be buried in the family plot in an Oakland cemetery the last of this week. She was the mother of Esther Silsby, a local musical instructor of the Normal era, also of J. S. Silsby, an old time Southern Pacific employe, now a resident of the vicinity of Oregon City. The funeral will probably be held on Friday, June 16, services at the grave being conducted by the Eastern Star, with which order the deceased was formerly affiliated here, transferring her membership in 1914 to Cottage Grove. Many old time friends will regret to learn of Mrs. Silsby's death, and will join in paying a last tribute

of respect to the memory of one who was universally esteemed.

To make the trip over the mountains, clean through to the Klamath region, without the use of chains on his car, in spite of muddy and slippery roads, was the experience of Roy Cambra, who left Ashland last week for the Pelican Bay section, where he will continue in the government employ as sealer in connection with lumber operations.
