FEHL CASE WILL BE GIVEN HEARING ROSEBURG, JULY 10

The case of Fehl vs. the City of Medford was up for hearing at Roseburg Monday. The plaintiff made an application before Judge Hamilton for a temporary injunction to restrain the city from placing on record deeds for property where the owners had not paid the paving assessments. Judge Hamilton ruled that a restraining order was not necessary, as the filing of the suit was notice to the city and everyone interested that a suit to contest the right of the city was pending and that any deeds filed would depend on the outcome of the suit. He stated further that he would give an immediate hearing of the case on the facts and set it down for July 10th in Roseburg. He promised an early decision so that the questions involved would be settled at once.

City Attorney Fred Mears represented the city of Medford and B. F. Lindas represented the plaintiff.

JAP PICTURE BRIDE CAUSE OF TRAGEDY

WATSONVILLE, Cal., June 27.—Mrs. Toraki Inanaga, 19, picture bride of a month, was killed just before midnight at her home near here when her husband, Junjiro Inanaga, a rancher, slashed her throat in a fit of jealousy over the attentions which another Japanese was said to be giving his wife, according to the police. Inanaga turned the razor on himself and physicians said his injuries were fatal.

Powerful Skin Remedy Discovered

Dries Up Eczema, Barbers' Itch, and All Skin Eruptions in a Few Days: Absorbs Wens, Goutier and Piles. Many thousands of people know how speedily and painlessly Moore's Emerald Oil reduces swollen veins and bunched and how powerful penetrating and safe it is.

This wonderful surgeon's prescription now known all over America as Moore's Emerald Oil, is so efficient in the treatment of skin diseases that the itching of eczema stops with one application; the eruptions dry up and scale off.

A few applications and the most persistent case of piles is absorbed never to return.

It absorbs goitre; dissolves wens, and in the treatment of ulcers, abscesses, carbuncles, varicose and boils, it is supremely efficient.

Moore's Emerald Oil in the original bottle is dispensed by pharmacists. It is not a patent medicine, but a wonderful prescription of a practicing surgeon. With each bottle complete directions for use are enclosed. Your druggist always has Moore's Emerald Oil on hand. Adv.

Sports

BRITTON WINS FROM LEONARD ON FOUL AWARD

NEW YORK, June 27.—Considerable interest was evidenced today by sport followers when the state boxing commission went into its regular weekly meeting, speculation running high on the question of whether the commissioners would take official cognizance of the criticism of some sporting writers regarding the sudden termination of last night's bout between Benny Leonard and Jack Britton, when the latter won on a foul in the thirteenth round.

Some sport experts dwelt on the action of the lightweight champion, an experienced, cool-headed fighter, in striking Britton while the latter was on one knee, claiming a foul.

NEW YORK, June 27.—Benny Leonard, the second lightweight champion in 27 years to attempt to win the welterweight title, failed last night when, after being outpointed for twelve rounds, he fouled Jack Britton, the 37-year-old champion, and was disqualified.

Two minutes and forty seconds of the thirteenth round had passed when Leonard struck Britton while the latter was on one knee, taking a count. Britton knelt, wincing, as if in pain and motioned to his seconds to claim a foul when Leonard struck him in the body with a left.

Referee Haley said he had not seen a low blow struck when Britton went to his knee, but disqualified Leonard for violating the rule prohibiting the striking of an opponent when he is kneeling.

Kid Lavigne, one of the greatest lightweight of years gone by, tried to take the welterweight championship, but was knocked out by mysterious Billy Smith, the champion.

Britton had all the better of the contest last night, and it was evident that he would have won the judges' decision had the contest gone the full fifteen rounds. The fighting, however, was interesting at all times, with both champions in a display of their best known tactics.

Babe Revives Again.

CHICAGO, June 27.—(By the Associated Press)—Babe Ruth celebrated his return to the game yesterday after his five-day suspension because of a run-in with Umpire Eichen by crashing out a home run with two men on the paths. It was his eighth homer of the season. Bob Shawkey, the Yankee pitcher, also poled a circuit drive which helped defeat the Boston Red Sox, 6 to 4.

The Cleveland Indians broke their losing streak yesterday and with Stanley Coveleskie pitching effectively, shut out the leading St. Louis Browns, 8 to 0.

The Philadelphia Nationals have moved out of the cellar. They scored their fifth consecutive victory from Boston, 8 to 5 yesterday, and today are being trailed by the Braves.

Cliff Heathcote, who came to the Chicago Cubs from the St. Louis Cardinals in the trade for Max Flack, cracked out three hits yesterday and stretched one of them into a triple. He scored three of the Cubs' runs in their 6 to 4 victory over the Pittsburgh Pirates.

Branch Rickey, manager of the St. Louis Cardinals, used seventeen men yesterday in an attempt to check the Cincinnati Reds, but they could not do much with Pitcher Keck, the Reds coming out on the long end of a 7 to 4 score.

SAN FRANCISCO, June 26.—Willie Kamm, San Francisco baseball player, who recently was sold to the White Sox for \$100,000—the greatest price ever paid for a minor leaguer—has one very ardent supporter—his mother.

Mrs. Edward Kamm, Willie's mother sits behind the plate at nearly all the games in which her son plays and watches his every move.

"Willie always was crazy about base ball," Mrs. Kamm says when talking about the big deal. "And I guess I'm almost as crazy about it as he is. Ever since he was a little boy we both have been interested."

No habit forming—just a good, wholesome physic. Sold everywhere. Adv.

CLAIMS TARIFF WILL INCREASE COST OF LIVING

WASHINGTON, June 27.—Duties on fresh meats and meat products proposed in the pending tariff bill, if effective, would increase the nation's meat bill \$379,500,000. Senator Walsh, democrat, Massachusetts, declared today in the senate. He was discussing the agriculture schedule and announced that from time to time he would "submit figures, staggering in their size, showing what an unbearable burden these duties on agricultural products will be to the consumer."

Senator Walsh estimated that the duties on beef and veal would increase prices of those commodities by 231,000,000 a year; that mutton and lamb would advance by a total of \$31,500,000; pork by \$105,000,000 and lard by \$12,000,000. He said the total would be \$7.77 for each man, woman and child in the country, or \$18.85 for a family of five. The Massachusetts senator contended that the increased cost to the people of his state alone would be \$15,140,000.

The speaker urged that the proposed tariffs could not result in any benefit to the farmers for reasons which he outlined as follows:

"A tariff on agricultural products, except in a very limited number of instances, may not have at all the effect of raising the general level of prices to the producer.

"To whatever extent it will raise the price to the producer it will:

"(A) React in higher cost of living to the people of the country, and (B) React in higher costs of the things the farmer must buy. This was well illustrated during the war. As the prices of agricultural products increased, an increase in price of things the farmer purchased closely followed and the result was little net advantage to him.

"The wages of labor have been and are becoming more and more dependent upon the cost of living. Increased costs through tariff rates of those things the laboring people of the country must eat means increased wages, and increased wages in the industrial and large centers of population means that labor will be scarce and will demand correspondingly high wages on the farms."

VICE-PRESIDENT OF ILL., CENTRAL R. R. IS STRICKEN

WINDSOR, Ont., June 27.—A Stewart Baldwin, 61 years old, of Chicago, vice president of the Illinois Central railroad died suddenly of heart failure while enroute from New York to Chicago last night, the train crew reported on arrival here this morning.

Mr. Baldwin, accompanied by his wife and daughter, returned Monday morning from a three months visit in Europe.

The train had just entered St. Thomas when Mr. Baldwin was stricken. Trainmen summoned a physician, but the railroad executive was dead before medical assistance reached him.

The body was sent to Chicago.

FRANCE WANTS BOSCHE TO BUILD TUNNEL

PARIS, June 27.—(By Associated Press). A huge war reparations plan under which the Germans would reconstruct France and also build the long-planned tunnel under the English channel has been submitted by the minister of public work, M. Letroqueur to Premier Poincare, who has laid it before the French member of the reparations commission. The plan involves the use of German labor and materials to the extent of twenty billions of francs.

Tailor Makes Valuable Find

"After spending \$900 for medicine and doctors in four years without getting any benefit for stomach trouble and bloating I was induced by my druggist to try Mayr's wonderful Remedy and must say that a \$1 bottle has done me \$500 worth of good." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Adv.

An extra measure of power with every gallon drawn from this pump!

Gasoline, mixed with air, makes gas, and gas makes power.

How much power depends primarily upon how completely the gasoline vaporizes in the carburetor.

"Red Crown" vaporizes 100 per cent. Every atom mixes with many times its weight of air and combusts cleanly and powerfully, leaving a minimum of carbon residue on spark plugs, valves and cylinder heads.

That's why you get more power and mileage and a sweeter-running motor when you use "Red Crown."

Fill at the Red Crown pump—at Standard Oil Service Stations, at garages and at other dealers.

THE BAKING POWDER QUESTION SOLVED

Most housewives proclaim that the baking powder question was solved for them the moment they used the first spoonful of Calumet. After that no doubt remained—no hoping—no searching for a perfect leavener—no wondering if bakings would "turn out all right."

CALUMET BAKING POWDER

has solved the question because in all these thirty years it has never failed to produce wholesome and appetizing foods at an economical cost. It is as pure and sure as any baking powder ever made.

Calumet is more economical than other brands selling for less because its quality is the highest—no losses from spoiled bakings.

Use Calumet once—that's enough to prove to you that it's "best by test."

A pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. cans instead of 16 oz. cans. Be sure you get a pound when you want it

The Fordson Farmers' Calendar

THERE'S PROFIT EACH DAY THE FORDSON WAY

1922 SUN The Cleanest Farms In Any Community 1922 RI SAT

FORDSON farms have that reputation. Early fall plowing is what keeps these farms free of weeds. "That's easy to talk about, but how are you going to plow when the ground is so hard and dry, and the weather so hot that a team can't work?" That, probably is your objection to the formula. "Use a Fordson-Oliver Plowing Outfit," is the answer. Heat and hard soil and dry weather don't bother a bit when you use Fordson power instead of horses. Early fall plowing with a Fordson tractor and an Oliver No. 7 plow will enable you to turn over the soil the time you know it will do the most good. Over 200,000 Fordson Farmers Use Oliver Tillage Implements
