JACKSON COUNTY CLUB DELEGATES BACK FROM O. A. C.

The Jackson county delegation of boys representing club work, who have been in Corvallis attending the boys' and girls' summer school, returned Monday night.

The boys represent calf, rabbit and poultry clubs and all have a renewed interest in club work. They are prepared to make a full report to the other members of their clubs and urge all the club members to finish the project they are in and make exhibits in fair with a view to winning a trip of this nature next summer.

The boys are all strong for it and say that they are going to have a group from this county next year that will take a whole floor in the dormitory to accommodate, including enough boys to have a baseball team from this county.

In the stock judging contest, where eight classes of animals were judged, John Bohnert of Central Point was tied for second place. This was considered very good, as there were 125 contestants.

The county club leader, Mr. Moss, wants to enlist the support of all of the parents or club members in keeping the interest of the boys and girls in their project and bring about as nearly a hundred per cent completion as is possible.

Mr. Moss suggests that all clubs should have a representative or two at this summer school, the value of which is too great to overlook.

IMPORTANT TALK FORUM MEETING

Wm. Sproule, president of the Southern Pacific lines, in a widely circulated folder says, "The public is so widely interested in the present discussions of the Southern Pacific system as it now exists, in contrast with what may happen to it under the recent decision of the supreme court of the United States, that it seems proper for me to submit to our customers, who are the shipping and traveling public, some leading facts in the situation with which they are well as this company are confronted."

It is these facts which President Sproule mentions that will be presented at the forum of the Medford Chamber of Commerce tomorrow noon by J. H. Mulachay of the Southern Pacific lines.

It is anticipated that there will be a very large attendance present.

A summer bronchial cough keeps not only the sufferer but other members of the family awake. Alfred Barker, 1081 Avondale St., E. Liverpool, O., writes: "I consider it my duty to write and tell the results of Foley's Honey and Tar, which I used for my boy who had been suffering from a bronchial cough for 7 or 8 weeks.
