Y. M. C. A. CAMPERS MEET THURSDAY TO MAKE PLANS

The list of boys who are signing up for the Y. M. C. A. summer camp grows longer each day. More than 40 are now enrolled, with a very fair prospect of bringing the number up to the half hundred mark before Saturday, which is the final day for enrolling and paying the camp fee. Ashland, Talent, Central Point and Medford will be largely represented, with smaller delegations from Oak Grove, Griffin Creek and Phoenix.

At a meeting of the Medford Y. M. C. A. committee Monday night, the details of transportation were worked out. Private cars will be used to haul the boys as far as Trail. From this point the hiking will start, only the truck carrying the supplies and such cars as carry bed rolls proceeding to the camp site.

A meeting of the boys of Medford and vicinity who are planning to go will be held at the Library Thursday night at 7:30. A half hour will be devoted to answering the important but vital questions that every boy will want to ask. A similar pep meeting was held at Ashland last night with a good turn out of boys and leaders.
