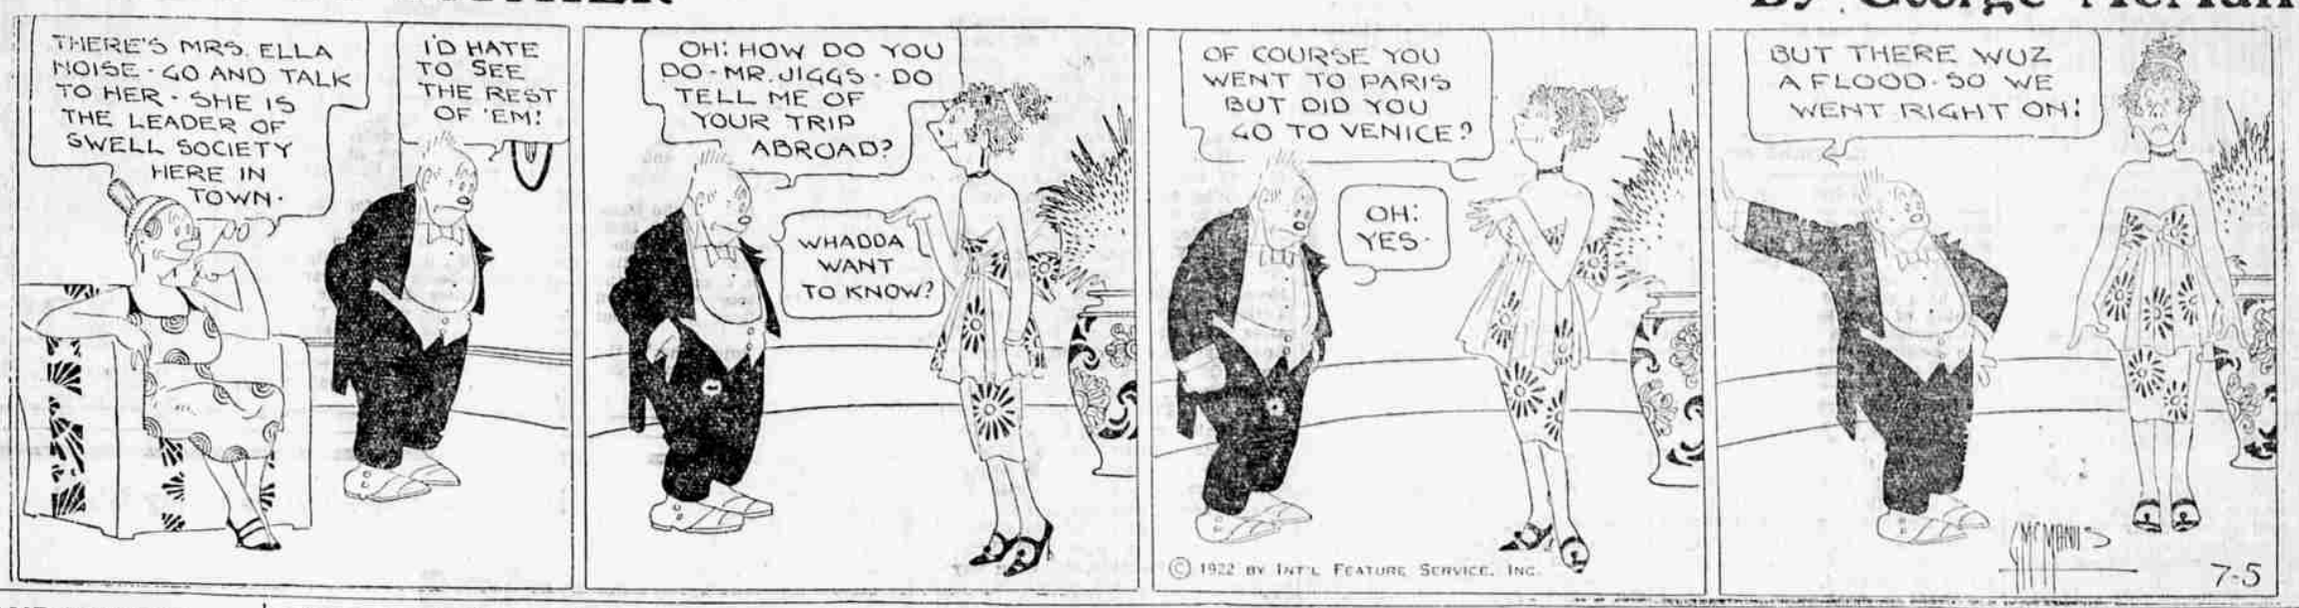
BRINGING UP FATHER

By George McManus



R. HAND FORCED TO QUIT, WELTY K. O.'S J. INGRAM

Fourth of July athletic events, of unusual interest were held at Ashland, and resulted in Walter Miller, middleweight wrestling champion of the Pacific Coast defeating Ralph Hand, pride of Gold Hill, in eight rounds of hot and slippery mat work, Monday evening, and Ernest "Wildcat" Welty defeating Jess Ingram of this city in four rounds Tuesday afternoon. The wrestling match was held under the newfangled White rules, ten minutes wrestling, and a minute's rest and did not make much of a hit with valley fans. Both contests were held in the Ashland Armory, and it was hotter than Helena, Mont. Good sized crowds attended.

In the wrestling match Hand was forced to quit by sudden sickness, and up to the time of his departure, had given a good account of himself, with Miller having the advantage. The champion slapped some punishing holds on the Gold Hill contestant, and they seemed to weaken him. Miller was in good form, and possessed all his old craft and cunning. Both mat men sweat like Trojans, and were hard to hold. It seemed that when one or the other did slap on a good hold, bing would go the bell for the end of the round. This caused considerable vigorous expressions of disgust with the said White rules.

Martin Bowers of Gold Hill, made his debut as a referee, and did a fine job.

In the boxing end of the celebration "Wildcat" Welty knocked out Jess Ingram in the fourth round with a hard blow to the stomach. Up to this time Ingram was more than holding his own, and was getting in some stiff licks to the Wildcat's face. In the third round Welty started his attack against Ingram's mid-section, and seemed willing to take a punch to indulge in infighting. The end came when the fourth round was less than a minute old.

In the semi-final Kid Sargent of Ashland and Mr. Burnett of Klamath fought a six round draw. Mr. Burnett ran out of wind, and lacked zip, and the same thing must have happened to Sargent for he ignored the beseeching of the crowd to make a speech.

There were a couple of preliminaries of some merit. K. O. Bob Brown refereed.

PROMISE GOOD CARD AT FRIDAY'S SMOKER

A boxing smoker which Manager Bob Brown asserts will be even better than the one last Friday night, will be staged Friday night at the Medford Athletic club. The smoker last Friday night, which was the opening smoker of a series of regular Friday night events, was pronounced the best in many a day by the Medford fans who saw it.

The main event of the coming smoker will be a bout between Lawrence Daw, who put Red Meadows to sleep at the last smoker, and Reese Baughman, a well known local boy, who has never been seen in the ring before.

A number of excellent preliminaries are also on the card and a semi-windup between Lester Laurentze and Dick Adams at 137 pounds, which should be a hummer.

These amateur smokers promise to continue to be the most interesting athletic events in Medford for some time to come and a great many fans who missed the show last Friday night will be on deck for the coming smoker. Ladies are cordially invited.

MEN WANTED

FOR SERVICE AS RAILROAD MACHINISTS, BOILERMAKERS BLACKSMITHS, ELECTRICIANS, SHEET METAL WORKERS, PIPEFITTERS, COPPERSMITHS, TINNERS, CAR INSPECTORS, CAR REPAIRERS, HELPERS.

All classes under strike conditions best explained by Chairman Ben W. Hooper of the United States Railroad Labor Board in his statement of July 1st, reading as follows:

"In this case the conflict is not between the employer and the oppressed employes. The people of the country, through an act of Congress, signed by President Wilson, established a tribunal to decide such disputes over wages and working conditions which are submitted to it in a proper manner. It is the decision of this tribunal against which the shop crafts are striking. Regardless of any question of the right of the men to strike the men who take the strikers' places are merely accepting the wages and working conditions prescribed by a government tribunal and are performing a public service. They are not accepting the wages and working conditions which an employer is trying to impose. For this reason, public sentiment and full government power will protect the men who remain in their positions and new men who may come in."

Adequate provisions have been made for the full protection of all new employees, the same as old employes who have remained loyally at work.

Applicants should apply to the office of the superintendent at Portland (Union Station), or to the Assistant Superintendent at Roseburg.

J. H. DYER,
General Manager Southern Pacific Company.
