The indications are that the warm weather spell will be still hotter, as the weather bureau prediction received from San Francisco this morning for Friday's weather said "Fair and warmer." In view of the fact that yesterday's maximum was 102½ this forecast is rather discomfiting. The minimum of this morning was 52 degrees, as against 51 of a year ago.

Twenty-five thousand people is a conservative estimate of the number who were in Ashland yesterday to attend the Fourth of July celebration. Many believe that this is the largest number ever in attendance at a single event in this city, although in the past the famous rodeos attracted big crowds. Be that as it may, the attendance was a record breaker for any event ever held in southern Oregon. How many cars it would be impossible even to conjecture, but it can scarcely be taken as an exaggeration to say that there were six thousand automobiles in the city and that they carried an average of four persons.—Ashland Tidings.

JULY 4 ROUNDUP AT LAKE CREEK IS A BIG SUCCESS

A successful Fourth of July celebration was held at Lake Creek last Tuesday. The large crowd in attendance enjoyed the numerous round-up events.

The bucking horse contest was won by Carl Gibson, riding Champagne; Loren Farlow on Step and a Half won second money and Lee Johnson on Squaw won third prize.

The bucking bull contest was won by "Heavy" Austin, who rode Shorter and Lloyd Damon won second money on Red.

Clarence Cann of Lake Creek gave several classy exhibitions of bucking horse and bull riding. Mr. Cann formerly rode in many round-ups in Montana and is a professional bucking horse rider. His exhibition was very classy.

In the riding races, J. W. Antle's entry, with Damon up, won first money, and Von der Hellen's entry, with Allen up, won second. There were 8 horses entered.

In the evening the celebration was concluded with a big dance in the new Lake Creek community hall, which was enjoyed by over 100 couples from all over the valley. This was the opening dance in the Lake Creek hall, and the music furnished by the Crescent orchestra was much enjoyed. Lake Creek has one of the best floors in the county and is said to be one of the easiest to dance on, being octagonal in shape with an 80-foot width. There will be more dances in the hall this summer.

There being no counter attraction during that week the residents of Douglas, Josephine, Jackson, Klamath and Siskiyou counties will be attracted here and provisions are being made for the parking of no less than 3,000 cars on each of the several days of the fair.

A BIG CROWD IS LOOKED FOR AT FRIDAY'S SMOKER

The boxing smoker which will be staged at the Medford Athletic club Friday night promises to be one of the best ever seen in this city. Manager K. O. Bob Brown states that it will undoubtedly be even more interesting than the last one and in the opinion of many fans the last smoker was the best seen here in some time.

The main event of the evening will be a bout between Reese Baughman and Lawrence Daw at 155 pounds. This event promises to be the hardest battle seen in a Medford ring for years past. Daw demonstrated his ability last Friday night when he put the skids under Red Meadows and Baughman is known as a game scrapper, although he has never been seen in the ring. Baughman has played basketball and football with the local high school teams and has never been known to quit, no matter how hard the grind.

Lester Laurence and Dick Adams at 137 pounds will fight a semi-windup and this bout promises to be a hummer, according to manager Brown, who certainly was correct when he predicted a good card last time.

Other events include Abe Shadow vs. Robe Jones at 112 pounds, Ben Harrell vs. Noble Everett at 85 pounds, Jos. Harrell vs. William Harrell at 120 pounds, Ole Hughes vs. Delbert Bergman at 85 pounds, Lloyd Farmer vs. Ned Harrell at 90 pounds and Tommy Conklin vs. Lando Farmer at 70 pounds.

This card will likely be witnessed by a much larger crowd than that which witnessed the last card, as the enthusiastic and more than satisfied fans who witnessed last Friday's smoker have been spreading the good word. The exhibitions are conducted in an orderly, clean, businesslike manner with no long waits between bouts and the time does not drag. Ladies are cordially invited.

DOES LAUNDRY WORK AND HOUSEWORK TOO

Surprised to Find Her-self Feeling So Well

Taunton, Mass. — "I used to have pains in my back and legs so badly, with other troubles that women sometimes have, that my doctor ordered me to stay in bed a week in every month. It didn't do me much good, so one day after talking with a friend who took Lydia E. Pinkham's Vegetable Compound for about the same troubles I had, I thought I would try it also.

I find that I can work in the laundry all through the time and do my housework, too. Last month I was so surprised at myself to be up and around and feeling so good while before I used to feel completely lifeless. I have told some of the girls who work with me and have such troubles to try Lydia E. Pinkham's Vegetable Compound, and I tell them how it has helped me. You can use my testimonial for the good of others."—Mrs. BLANCHIE SILVER, 69 Grant St., Taunton, Mass.

It's the same story—one friend telling another of the value of Lydia E. Pinkham's Vegetable Compound.
