REPELLED BANDITS, GIVEN \$1000 CHECK

LOS ANGELES, July 14.—"For gallant service," Harry D. Steward, agent for the American Railway Express company, has been presented with a check for \$1000, an engraved gold watch, and a letter of appreciation from George C. Taylor, president of the company. Steward, who resides in Los Angeles, killed one bandit and drove off eight more during an attempted holdup of a train near Tucson, Ariz., several weeks ago.

RAISE CENTURY-OLD CANADIAN TREATY

WASHINGTON, July 14.—A proposal that the century-old agreement between the United States and Canada regarding the military and naval defenses to be maintained on the international border be revised in permanent form and in line with the agreements reached at the Washington arms limitation conference was the chief mission here today of W. L. McKenzie-King, prime minister of Canada, to confer with Secretary Hughes. A new treaty modernizing the Rush-Bachof agreement probably will be negotiated between the two countries.

AMARILLO, Texas. Three hundred members of the "big four" brotherhoods appealed to their executives for permission to strike.

MEN WANTED

FOR SERVICE AS RAILROAD MACHINISTS, BOILERMAKERS, BLACKSMITHS, ELECTRICIANS, SHEET METAL WORKERS, PIPE-FITTERS, COPPERSMITHS, TINNERS, CAR INSPECTORS, CAR REPAIRERS, HELPERS.

All classes under strike conditions best explained by Chairman Ben W. Hooper of the United States Railroad Labor Board in his statement of July 1st, reading as follows:

"In this case the conflict is not between the employer and the oppressed employees. The people of the country, through an act of Congress, designated by President Wilson, established a tribunal to decide such disputes over wages and working conditions which are submitted to it in a proper manner. It is the decision of this tribunal against which the shop crafts are striking. Regardless of any question of the right of the men to strike the men who take the strikers' places are merely accepting the wages and working conditions prescribed by a government tribunal and are performing a public service. They are not accepting the wages and working conditions which an employer is trying to impose. For this reason, public sentiment and full government power will protect the men who remain in their positions and new men who may come in."

Adequate provisions have been made for the full protection of all new employees, the same as old employees who have remained loyal to work.

Applicants should apply to the office of the superintendent at Portland (Union Station), or to the Assistant Superintendent at Roseburg.

J. H. DYER,
General Manager Southern Pacific Company.
