N. Y. Stocks

NEW YORK, July 15.—Conflicting movement of a few of the leading industrial and oil furnished the only diverting features of today's brief and bull stock market. Equipments were strong at extreme gains of 1 to 4 points for Baldwin, American and Lima locomotives, Pullman, Pressed Steel Car, Railway Steel Spring and New York Airbrake, domestic oils were heavy, presumably as a result of cuts in crude products in the middle west and Pacific coast states. Standard Oil of California, Pacific Oil and several of the Mexican group forfeited 1 to 2 points. Specialties were firm to strong, particularly sport products. Sears Roebuck and American Woolen. The close was steady. Sales approximated 325,000 shares.

MEN WANTED

FOR SERVICE AS RAILROAD MACHINISTS, BOILERMAKERS, BLACKSMITHS, ELECTRICIANS, SHEET METAL WORKERS, PIPE-FITTERS, COPPERSMITHS, TINNERS, CAR INSPECTORS, CAR REPAIRERS, HELPERS.

All classes under strike conditions best explained by Chairman Ben W. Hooper of the United States Railroad Labor Board in his statement of July 1st, reading as follows:
 "In this case the conflict is not between the employer and the oppressed employees. The people of the country, through an act of Congress, signed by President Wilson, established a tribunal to decide such disputes over wages and working conditions which are submitted to it in a proper manner. It is the decision of this tribunal against which the shop crafts are striking. Regardless of any question of the right of the men to strike the men who take the strikers' places are merely accepting the wages and working conditions prescribed by a government tribunal and are performing a public service. They are not accepting the wages and working conditions which an employer is trying to impose. For this reason, public sentiment and full government power will protect the men who remain in their positions and new men who may come in."

Adequate provisions have been made for the full protection of all new employees, the same as old employees who have remained loyally at work.

Applicants should apply to the office of the superintendent at Portland (Union Station), or to the Assistant Superintendent at Roseburg.
J. H. DYER,
 General Manager Southern Pacific Company.
