

## Local and Personal

This morning's public market was an unusually good market for a week-day market. Apples were on sale in abundance and all berries were scarce. A few strawberries were sold. Last Saturday's market was one of the best markets in the last two years and a heavy market is expected next Saturday. Red raspberries and loganberries on sale at last Saturday's market were quickly snapped up by the early comers.

## LECTURE BY K. P. SUPREME PRELATE IS MUCH ENJOYED

Following the band concert and lecture in the park last evening the Knights of Pythias and the Pythian Sisters held an informal reception for the lecturer, Frederick S. Atwood and Mrs. Atwood at Castle hall. A large number of the lodge members and their friends were present and the affair was most enjoyable.

Mr. Atwood is from Minneapolis and is supreme prelate of the Knights of Pythias lodge and is now on his way to San Francisco to attend the supreme lodge which meets in that city August 1st. His lecture here was on the subject "A Message of Optimism" and was woven around the sentiments of fraternal responsibility and brotherly love for which the lodge stands. Seldom is one privileged to hear an outdoor speaker with a more pleasing and penetrating voice or one who paints his word pictures with more skill, wit, a certain dry humor and apt stories served to embellish the lecture and please his audience.

From here Mr. Atwood goes to Klamath Falls where he will be a guest over Sunday.
