LEAGUE APPROVES SYRIAN MANDATE

LONDON, July 22.—(By the Associated Press)—The Palestine and Syrian mandates were approved this afternoon by the council of the League of Nations with the understanding that they take effect as soon as France and Italy reach an agreement on certain minor details now under discussion in Paris.

The revised form of article XIV which presented the chief difficulty, was accepted by all parties.

N. Y. Stocks

NEW YORK, July 22.—Today's stock market was dull and featureless, aside from the prominence and strength of independent steels. Those shares registered gains of 1 to 2½ points on the statement of Attorney General Daugherty that prospective combinations were not in violation of the federal statutes. Oils were irregular, Mexican Petroleum alone showing occasional strength. Selling of the motors was resumed with further heaviness in Studebaker. Changes among rails were fractional, the trend, however being lower. The close was irregular. Sales approximated 600,000 shares.

MEN WANTED

FOR SERVICE AS RAILROAD MACHINISTS, BOILERMAKERS, BLACKSMITHS, ELECTRICIANS, SHEET METAL WORKERS, PIPE-FITTERS, COPPERSMITHS, TINNERS, CAR INSPECTORS, CAR REPAIRERS, HELPERS.

All classes under strike conditions best explained by Chairman Ben W. Hooper of the United States Railroad Labor Board in his statement of July 1st, reading as follows:

"In this case the conflict is not between the employer and the oppressed employees. The people of the country, through an act of Congress, signed by President Wilson, established a tribunal to decide such disputes over wages and working conditions which are submitted to it in a proper manner. It is the decision of this tribunal against which the shop crafts are striking. Regardless of any question of the right of the men to strike the men who take the strikers' places are merely accepting the wages and working conditions prescribed by a government tribunal and are performing a public service. They are not accepting the wages and working conditions which an employer is trying to impose. For this reason, public sentiment and full government power will protect the men who remain in their positions and new men who may come in."

Adequate provisions have been made for the full protection of all new employees, the same as old employees who have remained loyally at work.

Applicants should apply to the office of the superintendent at Portland (Union Station), or to the Assistant Superintendent at Roseburg.

J. H. DYER,
General Manager Southern Pacific Company,
