

WE OPPOSE THE RECALL

In line with a campaign unprecedented for its mendacity the supporters of D. M. Lowe have insulted the citizenship of Jackson County by calling those who oppose the recall of Sheriff Terrill bootleggers and lawbreakers

Possibly never before have so many hundreds of people, without regard to party affiliation, offered their aid in support of political officer, as they have in this instance. From all parts of the county, by letter and telephone people have asked for a chance to express publicly their confidence in the honesty and integrity of Charlie Terrill.

At their request we are giving below a few of the names of those who want to publicly announce their faith in the present sheriff of Jackson county.
