N. Y. Stocks

NEW YORK, July 29.—Mixed conditions ruled in today's stock market. Opening prices were mainly highly under the impetus of a renewed demand for rails and some of the favorite industrials, where gains ran from 1 to 2 points. Rails, especially Mexican Petroleum, also were strong, with the resumption of the recent buying of high class equipments. Tobaccos, chemicals and rubbers moved to higher ground. Motors were the uncertain features, Studebaker reacting sharply from its early rise of almost two points. Atlantic Gulf also showed recurrent selling pressure. The close was firm. Sales approximated 300,000 shares.
