LONG REFUSES TO ASK FOR RECOUNT

ST. LOUIS, Aug. 8.—Breckenridge Long, defeated by Senator James A. Reed for the democratic senatorial nomination at last Tuesday's primary, today issued a statement saying he will neither ask a recount nor file a contest.

Declaring he still considered himself the choice of the democrats of Missouri for the senatorial toga, the former third assistant secretary of state declared between 40,000 and 50,000 republicans voted in the democratic primary, but owing to a defective primary law, there is no legal remedy. Reed's plurality was approximately 6,000.

I suffered awful pains in my stomach, but after taking a few doses of May's Wonderful Remedy, these all disappeared and for 3 years am feeling fine." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments including appendicitis. One dose will convince or money refunded. For sale at all druggists. Adv.
