

BIG MEETING OF KNIGHTS PYTHIAS IN CITY TONIGHT

Supreme Chancellor Geo. C. Cahill, Knights of Pythias, and Mrs. Cahill, who comes from Norfolk, Va., accompanied by K. H. Bell, Jr., Grand Keeper of Records and Seal, of the state of Virginia, after having been shown the wonders of Crater lake, escorted by H. G. Wortman and W. Y. Crowson, of the reception committee, returned to Medford Sunday.

Supreme Chancellor Geo. C. Cahill was enraptured with the beauties of Crater lake. He has seen the Seven Wonders of the World, and says Crater lake should not be classed as the Eighth Wonder of the World, but in his estimation should be called the First Wonder of the World.

The local reception committee, headed by H. G. Portman and J. W. Wakefield, showed the supreme chancellor and party over the valley today, and returned to Medford for the big ceremony and banquet tonight at the Knights of Pythias hall.

The supreme chancellor is infatuated with this valley and does not believe he can resist the fascinations and possibilities the Rogue Valley Empire, and is likely to leave old Virginia and locate here.

Tonight Supreme Chancellor Geo. C. Cahill and Grand Lodge officers of the Domain of Oregon including Grand Chancellor Lief S. Finseth and Grand Keeper of Record and Seal Walter G. Gleason will pay Talisman lodge No. 31, an official visit.

The local lodge are expecting a large delegation from Roseburg, Grants Pass, Klamath Falls and northern California including Hornbrook, Yreka and Etna Mills to arrive in Medford today. The rank of Page will be conferred on a large class of candidates, after which entertainment of music and speaking will take place, followed by refreshments.

The Pythian Sisters entertain tonight for Mrs. George Cahill, wife of the Supreme Chancellor of the K. of P., and Mrs. Walter Gleason, wife of the Grand Keeper of Records and Seal, at the home of Mrs. Dr. T. G. Heine, 916 West Tenth street.

Mr. and Mrs. Cahill and Mr. and Mrs. Gleason are on their way back to Portland after attending the Supreme Lodge meeting at San Francisco.

Mrs. H. G. Wortman has just returned and will be glad to see all the Sisters at Mrs. Heine's tonight.

NORTH DAKOTA TO BE FORUM TOPIC

North Dakota politics will be the subject of a talk at the forum of the Medford Chamber of Commerce next Wednesday noon at the Medford Hotel. This will be given by Claud C. Turner of Dickinson, North Dakota, a former member of the legislature of that state.

The talk will not be in the nature of a political meeting, but rather to correct the impressions made of the politics of that state. A statement of facts and the true condition of affairs in North Dakota as to bank failures, the state bank and other political experiments will be given so that the forum next Wednesday will be educational in every respect.

MEDFORD HAS THE BEST POSTMASTER IN STATE

Bill Warner, Medford's popular postmaster gets the following unsolicited boost in the August number of the "Union Postal Clerk," official organ of the National Federation of Postoffice Clerks:

Medford boasts it has the best postmaster in Oregon, in Mr. W. J. Warner. Best because he knows the service from A to Z, having entered it as rural carrier in 1902, then served as clerk, assistant postmaster and finally as postmaster. Best because from his understanding and sympathy he gives his force a square deal. Best because he is wide awake and takes advantage of every opportunity to keep up to the minute as is proved by his making it possible for three clerks and a carrier to attend the annual Oregon postal convention and by his being the only postmaster there.

NEW FAIR BLDG. TO BE ERECTED BY ASSOCIATION

With fifteen community displays assured and with the many horticultural and individual farm exhibits promised, together with county school and boys' and girls' club exhibits, every available foot of space in the Agricultural and Horticultural palace will be taken up and therefore no room is left in the main building for commercial displays.

To provide space for the commercial exhibits, the fair association will build a temporary structure 72 feet wide and 150 feet long. Each space is 12 by 12 feet facing a 12 foot aisle and these are so arranged that all are equally good for displays. Merchants who desire to rent booths will be asked to pay \$25 each. There are 24 of these booths and over half of them are already spoken for.

This structure will be covered with the canvas that was purchased by the fair association from the government and there will be side walls so that with the saw dust floor, sprinkled every morning, the exhibits will be free from dust and dirt.

The floor plan of this industrial pavilion may be seen at the Chamber of Commerce rooms and those merchants who have signified their intention to buy space are asked to select their locations as soon as possible.

11,000 recruits. This year they were 28,000 of you in the various camps. If I would have my wish this number would increase until more than 100,000 were annually studying and preparing for armed service, not that we ever expect to be called upon for such service, but solely for national defense and the preservation of the government under which we all live.

"You know modern soldiery is very different from that of nearly all the history of the world. In olden times those who were in the professions compensated those in the pursuits of war. The soldiering of today is for national defense and for preservation of that government under which we live.

Can YOU Nominate This Boy?

We want to create the most energetic boy in Medford. We do not expect this boy to answer this advertisement himself; it may not even come to his attention. Besides, the boy we are looking for is going to school and, most likely, hasn't the least idea of taking up spare time work.

The boy we want is from 12 to 16 years of age, clean-cut and aggressive. Of good, responsible parents who are interested in his future.

The position we have for this boy is taking charge of the well-established sales distribution agency of THE SATURDAY EVENING POST, THE LADIES' HOME JOURNAL and THE COUNTRY GENTLEMAN in Medford, which requires but a few hours work each week after school.

An invaluable, practical business training in addition to a permanent weekly income, will be his.

You, who are reading this advertisement, may know of such a boy. If so, you will do him a real service by advising him of this opportunity and securing an appointment with our representative, Mr. Adamson, Medford Hotel, Medford, who will give full details.
