YANKEES OUTHIT, BUNCH BINGLES FOR A VICTORY

CHICAGO, Sept. 1.—(By Associated Press.) Though outhit by Washington two to one, the Yankees bunched the four bingles they obtained off McGraw in two innings and defeated the Senators 3 to 1, for their sixth straight victory. As Cleveland beat St. Louis with a five run rally in the ninth inning 7 to 6, the New Yorkers, increased their margin over the Browns in the American league race to two and one-half games.

Brilliant fielding again played a prominent part in the Yankee victory while Joe Bush hung up his twenty-second triumph of the season. Brooklyn again got the jump on the Giants and cut the champions' lead in the National league to six games by making it two in a row, 7 to 4. Jess Barnes was driven to cover in the third inning after the Robins had tallied five times, while Mammaux effectively checked the Giants in the seventh when Smith weakened. The White Sox pounded three Detroit pitchers, including Herman Pilleter, for 21 hits and a ten to one victory. The last place Boston clubs pulled themselves nearer seventh position by trouncing Philadelphia, the Braves taking a pair from the Phillies by scores of 5 to 4 and 7 to 2, while the Red Sox blanked the Athletics 3 to 0 in a five inning affair.

FRICK-MEADOWS BOUT IS A DRAW

In the main event at the Medford Athletic club smoker last night Bolton Meadows and Battling Frick boxed what was called a draw, a popular decision. A majority of the ringside critics gave Frick a shade, but not enough for a verdict. Meadows was given the first round the second was even and Frick the last two. Both young men swung hard and wild. The preliminaries were fair to medium and a good sized crowd saw the contests.

CHICAGO & ALTON IN RECEIVER'S HANDS

CHICAGO, Aug. 31.—The Chicago and Alton road was placed in the hands of receiver in federal court today by Judge Carpenter. W. G. Blied, president, and W. W. Wheelock, an attorney, were named as the receivers. According to a statement by Silas S. Strawn, appointed counsel for the receivers, the receivership was precipitated principally by the great falling off in the earnings of the company due to the coal strike and by the extra expenses due to the shopmen's strike. At the office of Mr. Strawn, it was stated the receivership will not in any way change the operation of the road's trains.

HEALTH THE SECRET OF ATTRACTION

Women of today depend a good deal upon the modern modiste and a knowledge of the cosmetic art to make them attractive. Too often there exists beneath it all a suffering woman whose nervous laugh or forced smile covers a pang of agony caused by some form of ill. To such a woman Lydia E. Pinkham's Vegetable Compound will bring health and a happy relief from her suffering, that will make her far more attractive than costly gowns and cosmetics.
For nearly fifty years American women have relied upon this root and herb medicine to relieve their ailments. Adv.
