

ENFORCEMENT OF DRY LAW COSTS \$600 PER MONTH

Jackson County Expended \$1766.55 in Last Three Months—S. B. Sandefer Received \$1357.24 for Services June, July, August.

Prohibition enforcement in Jackson county for the months of June, July, and August of this year cost \$1766.55, according to vouchers in the county clerk's office.

Of this amount, the records show, \$1,357.24 was paid to Prohibition Enforcement Officer S. B. Sandefer, and \$409.31 was expended for incidentals, largely to the Standard Oil for gasoline, and to Bert Moses and W. H. Liggett, former Medford policemen for assisting in tracing evidence.

In the month of June, paid in July, Sandefer received a warrant for \$607.23. In July, paid in August, he received a warrant for \$230.32. He was on his vacation this month for two weeks. In August he drew \$529.49, paid this month. In the pursuit of the illegal moonshiner, and the illicit still in August, the gasoline cost \$61.77.

In June, former Medford Policeman Liggett received \$60.99, in July \$133.49 and in August he drew a warrant for \$65.

Bert Moses, who is now courthouse janitor, received \$20 in June, in July nothing, and in August a warrant for \$46.30.

The above is not an accurate account of the total amount expended, because some of the items are listed under the prohibition enforcement fund, and others under the current expense fund, and the digging out of the various expenditures is a complicated job for a layman, but the above is approximately correct.

JERRY BARNES HIT BY SPEEDING AUTO

Jerry Barnes, a well known resident of Talent, was run over by an automobile on the Pacific highway near Talent, last Friday evening, and is now in the Granite City hospital at Ashland, suffering from a severe cut on the head and a broken right ankle.

The accident occurred just before dusk. Barnes had ridden to Talent in a machine, and started to walk down the highway, south. The auto while attempting to pass another car by going around, crashed into Barnes, knocking him, according to William Holmes, of the Barnes Realty company, "15 feet or more." The driver of the car did not stop to ascertain the damage, or render first aid. Barnes was picked up by a passing car, and taken to Ashland for medical treatment. He is now believed to be recovering.

WENATCHEE SHIPS 52 CARS APPLES

WENATCHEE, Wash., Sept. 19.—The apple shipping season is on. The first solid train load of apples, 52 cars, left Saturday night for eastern points. A second train load, 54 cars, left Sunday and from now on a train will go out almost every day. The first solid train this year went out ten days earlier than last year, due to the fact that all fruit is ripening earlier. The trains were made up of winter bananas, Jonathans and summer apples.

Total shipments of all fruits up to and including Sunday, September 17, were 1348 cars, comprising 267 cars of apples; 339 cars of mixed fruit; 322 pears; 128 peaches; 11 prunes and the remainder cherries and apricots.

OREGON SWAIN 76 MARRIES OLD FLAME AGED 73

Romance of Half a Century Culminates, Chicago When Edward Fox of Albany and Mrs. Ellis of Evanston, Ill., Are United.

CHICAGO, Sept. 19.—A romance that endured through a half century approached its climax today when Mrs. Ella H. Ellis, 73, of Evanston, Ill., and Edward F. Fox, 76, of Albany, Ore., exhibited a marriage license. They were sweethearts when they attended Wheaton college together in 1868 and became engaged then, but Mr. Fox left to finish a college career at the University of Michigan. Then he went west. They drifted apart until both married others.

The wife of Mr. Fox died two years ago. When he came east and called on his old sweetheart while passing through Chicago, he learned that her husband, John Ellis, a Congregational minister, had died thirteen years ago.

Old memories were rapidly recalled and other events forgotten. "There's nothing half so sweet in life as love's young dream," quoted Mrs. Ellis as they planned their honeymoon.

There has been a mad rush at the office of the secretary of the Fair association for checks by those employed at the fair grounds last week, but it was impossible in the short space of time to audit these claims and make out the checks, none have been paid nor will any be issued until next Saturday.

All having claims against the association should file same with the superintendent of the division under whom the work was performed and the superintendents are asked to file these with the secretary as soon as possible to enable all to receive their pay at the end of this week.

Local experts pick the Browns to win at least seven of the last nine games and if they accomplish this, New York must win seven of its 10 games in order to cop the flag. By being victorious, New York would have no better than a deadlock with the Browns and if they divide equally their remaining games, the Browns would nose them out, provided, of course, they won the seven of their games.

FAIR CLAIMS WILL BE PAID SATURDAY

George Sisler broke his string of hitting in consecutive games at 41 yesterday, stopped by a Yankee pitcher. During the batting spree Sisler bagged 76 hits out of 171 times at bat for a batting average of .444.

MR. VEAZIE OFFERS NEW BOND ISSUE

Wildes Veazie of G. E. Miller and company, the well known bond house of Portland, is in town today. He states that the Eagle Point Irrigation District bonds are highly regarded in the general market and that not one has been offered for sale by the investors who subscribed for them. The Talent Irrigation District bonds continue to hold strong in the market and none are offered under par or a premium. Mr. Veazie says he has held \$25,000 bonds of the lowest bonded irrigation district issue, ever offered, for friends of the Rogue River valley.

DUBLIN—The Irish free state will apply for admission to the League of Nations when the time is opportune but will not apply immediately as the result of a vote of the Irish parliament yesterday.

PHILADELPHIA—Raymond W. Ferguson, charged with having swindled a priest and other residents of Chicago of large sums, was held without bail today to await extradition proceedings. His operations are alleged by the police to have netted him more than \$100,000. Ferguson said his wife was a noted motion picture actress.

BROWNS LOSE IN NINTH, BUT STILL IN RACE

St. Louis Nosed Out in Last Inning of Final Game With Yankees—Fans Still Confident Browns Will Cop the Flag.

ST. LOUIS, Mo., Sept. 19.—(By the Associated Press.)—Hope is not lost but the Browns' road toward the 1922 championship of the American league has been made rougher.

This appeared to be the thought of thousands of St. Louis fans today following what they termed the heart-breaking defeat the Browns suffered yesterday at the hands of the leading New York Yanks, 3 to 2, in the final game of a three game series which had been heralded as an indication in the pennant race of the New York and St. Louis teams this season.

The Browns today open a three game series with the Washington Senators. The locals are a game and a half behind New York with only nine more games on their season's schedule. New York has ten more games to play.

After the game the Yanks left immediately for Detroit where they inaugurate a three-game series with the third place Tigers today. The remainder of the schedule, according to the "dope" seems to favor the locals.

The Browns have a three-game series scheduled with Washington and Philadelphia, considered the weaker teams of the league and a three game series with Chicago, while New York faces Detroit and Cleveland, regarded as two of the strongest teams, in six games.

WENATCHEE ADOPTS A PICKING WAGE SCALE

WENATCHEE, Wash., Sept. 19.—At a meeting of representative growers of the district at the commercial club Monday afternoon, the following wage scale for orchard help was agreed upon: Picking, forty cents an hour, or five cents a box. Sorting, 35 cents an hour, packing five cents a box off the grader and seven cents a box off the bench; all other orchard and warehouse labor forty cents an hour. These wages are about the same as last year. They were agreed to after discussion of the prevailing prices for labor at the present time. This scale will help clear up the uncertainty of both employers and employees that has existed since the apple harvest began.
