

J. COUNTY FAIR MADE A PROFIT OF OVER \$4000

Total Receipts of Fair Over \$18,000—Yield Profit, But Directors Forced to Assume Liability for \$4000 Because of Large Initial Expenses.

At a meeting of the directors of the Jackson County Fair association last evening preliminary reports were received that indicated the necessity that the directors of the association would have to assume personal liability for \$4000 as the amount expended for permanent improvements exceeds the amount of money received from the county by some \$7000.

The total improvement program involved an expenditure of \$39,110.35. The one mill tax together with other accumulated funds of the past four years for fair purposes gave the association \$31,632.95 to invest in the construction of buildings, fences, sewers, water system, track and other permanent features. The association spent \$7,477.38 in excess of the amount received which deficit is assumed by the association and is not an obligation of Jackson county. This deficit was created by the demands of exhibitors for space and other conveniences which they had an absolute right to ask for and expect to receive. The figures presented are taken from a preliminary statement and are subject to change because it is known that a few accounts are still unpaid and after these are adjusted a complete detailed statement of every dollar expended and for what purpose will be published.

The 1922 county fair produced a profit of \$4,173.31 together with the cash on hand and some money received from the sale of stock in the association it was possible to apply \$4275.52 on the deficit of the building program so that the directors had to absorb a net indebtedness of \$3,201.86. To meet this obligation each director placed his name on the back of a note of \$4000 thereby pledging his personal responsibility for the full amount. It was necessary to secure the full \$4000 loan because of the expenditures that would have to be made in the care of the grounds and planting of trees.

The association during the fair received \$2811.15 for commercial displays, selling concessions, carnival percentage, boxing bouts, wrestling match and for auto parking. Donations from Jesse Winburn and others produced \$266.20. Automobile and motorcycle entry fees amounted to \$420. The state of Oregon allotted \$1458.75 to the association to be spent for premiums, and the sale of tickets of admission, grandstand and for the privilege of seeing the races inside of the speedway secured a revenue of \$13,811.15. The total receipts were \$18,437.19.

Against the receipts were expenditures of \$14,263.88 which included \$3277.45 spent in exhibit premiums, \$5468.73 in automobile, motorcycle and horse race purses, \$1059.01 for publicity, \$693.03 for fire, burglar and accident insurance, bands received \$446, traffic officers, police and night watchmen were paid \$773.97 and the balance of the expenses were paid to ticket sellers, gamemen and for the various department exhibits.

The total gate admissions paid amounted to \$9809.84. There were 14,975 adult tickets sold, 826 child tickets and there were 5541 persons who paid admission into the grounds after seven o'clock in the evening. A total of 343 season tickets were sold. Estimating that each holder of a

Health Brings Beauty

A Pretty Skin Follows Good Blood
Pehastin, Washington—"When I was about fourteen years of age I had an operation for appendicitis and the doctor said it would retard development until I was 18 or 19 years of age, but I heard how good Dr. Pierce's Favorite Prescription was for young girls so I took four bottles of it and came into womanhood within a year. Then I started getting healthy and strong. Before I took Dr. Pierce's medicine I weighed only 72 pounds—now I weigh 107. Later in life I took a breaking-out on my face. I wrote to Dr. Pierce and he advised me to take the 'Golden Medical Discovery.' I took two bottles of it and my skin is as smooth as I could wish for. I would like to tell every sufferer about Dr. Pierce's Great Medicine."—Miss E. L. Carrell, Box 24.

Write Dr. Pierce's Invalids' Hotel in Buffalo, N. Y., for free medical advice or send 10c for trial package of any of his medicines. Adv.

TEACHERS ENJOY CHICKEN DINNER, ALSO ADDRESSES

A pleasant and much appreciated interlude in the session of the Jackson County Teachers' Institute today was the appetizing chicken dinner with trimmings served in cafeteria style at the high school to the 230 teachers in attendance, by the domestic science class of the high school in conjunction with the local teachers and the Parent Teacher associations. The girls of the domestic science class acted as waiters, and the diners were seated in various parts of the building.

HONOLULU LINER AFIRE

Her First Trip
The City of Honolulu is a shipping board vessel and was allocated to the local company for six months trial for service between this city and the Hawaiian Islands.

It left September 23 with more than 300 passengers mostly tourists, and it is believed a large number of those were returning on the vessel.

The position of the City of Honolulu at 5:58 o'clock this morning was given at latitude 21.07 north and longitude 151.40 west, according to the last radio advices known here to have been received from the vessel, which were picked up by the Federal company beach station at San Francisco.

Three vessels are known to be near the City of Honolulu, the transport Thomas being at latitude 22.58 north, longitude 156.41 west; the Entorpe at 22.17 north, 156.12 west, and the City of Los Angeles at 26.42 north and 145.52 west.

Ex-German Liner

The City of Honolulu is a recon-verted German liner, formerly owned by the Hamburg-American line and known at that time as the Frederick Kr. Grosse. It is 600 feet long, with twin screw propellers.

It was recon-verted by a local shipbuilding plant recently and with the City of Los Angeles, a larger shipping board vessel, was turned over to the Los Angeles Steamship company for institution of a new passenger service to the islands. Captain H. R. Lester is master of the City of Honolulu.

200 Members Crew

LOS ANGELES, Oct. 12.—There were 200 members of the crew of the steamship City of Honolulu, according to announcement at the offices of the operating company at Wilmington today.

Officers are: William E. Brust, first officer; Walter Martinson, second officer; L. J. Weld, third officer; C. B. Austin, fourth officer; Temple Murphy, purser; Robert A. Gotsd, freight clerk; George Miller, chief steward; L. J. Silder, second steward; James Richards, third steward; Austin J. Mummert, surgeon.

The vessel was known as the Huron during the war.

BANDITS OLE UP TRAIN

(Continued from page one)
lected the robbery before the city limits was reached, leaving the train somewhere between 15th street and Sheffield, a suburban station.

The train did not stop and a dispatch from Lexington Junction, Mo., early this morning gave the police word of the robbery.

WINTER COAT

This luxurious coat of garnet velveteen has adopted the much favored trimming of corded tufts for its voluminous sleeves. The bloused effect of the top is one that is very much used this season. Deep collar and wide cuffs are astrakhan.

TURKS VIOLATE ARMISTICE BY CROSSING LINE

CONSTANTINOPLE, Oct. 12.—(By Associated Press.) Four thousand Turks crossed the newly defined boundary at Airan, north of Darfeh on the Iamud peninsula, this morning and advanced some miles to Tepeurran (Teperra). General Harington sent an airplane to warn the offending commander against trespassing on the neutral zone.

The British general also telegraphed Ismet Pasha and Mustapha Kemal calling attention to this breach of the Mudania armistice convention.

CONSTANTINOPLE, Oct. 12.—(By Associated Press.) Plans for the allied detachments to move into Thrace and occupy the territory in conformity with the armistice convention signed at Mudania were completed today. The force will comprise three battalions of British troops, three French and one Italian, a total of 5000 men.

The detachments will leave Constantinople early next week.

LOCAL FOOTBALL TEAM TO MEET G. PASS SATURDAY

Coach Eddie Durno has the local high school football team working from three in the afternoon until six o'clock each night during teachers' institute and every man is expected to be in the best of condition for the Grants Pass game on the Holly street grounds Saturday.

As this will be the first interscholastic game of the season it is expected that a number of townspeople will be on hand to see what Medford has this year and it is felt that they will not be disappointed when they gaze upon the squad which represents the Red and Black on the gridiron this season.

The Grants Pass aggregation remains an unknown quantity except for rumor that states that they are better than they have been for some time and that they have a competent coach.

The Grants Pass-Medford game Saturday will be the only game on the home field until November 4th when the local team will meet the Roanburg eleven here, October 21 Medford plays Klamath Falls at Klamath Falls and October 28th Albany at Albany.

Hinton Reaches Port de France, PORT DE FRANCE, Martinique, Oct. 12.—Lieutenant Walter Hinton who is making a flight from New York to Rio de Janeiro in seaplane, arrived in the harbor here at 12:10 this afternoon from Pointe-a-Pitre, Guadeloupe.

Rural—Playground. Mrs. Ogle.
High School. Harold Saxe Tuttle.
3:10—Music. Dramatization: Chicken Little. Second grade, Washington school.
3:20—Assembly address.

BIG EATERS GET KIDNEY TROUBLE

Take Salts at First Sign of Bladder Irritation or Backache.

The American men and women must guard constantly against kidney trouble, because we eat often too much red meat and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out; they weaken from overwork, become sluggish, the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night; if you suffer with sick headache, or dizzy, nervous spells, acid stomach, or if you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus often ending bladder disorders.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia water beverage and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time. Adv.

PIONEER WOMAN PASSES AWAY AT A RIPE OLD AGE

Ann Elizabeth Starr, a former resident of Medford, passed away at the home of her daughter, Mrs. J. H. Bowman, W. 5th St., Medford, yesterday, where she had been visiting for the past four months.

Deceased was born in Illinois, March 8, 1836, and was aged 86 years, 7 months, 3 days. She crossed the plains by wagon in 1857, and with her parents, settled in Marion County, Oregon, and resided in the Waldo Hills district for a number of years.

It was in Marion county that she united in marriage to Wm. Farrier. To this union three children survive. Upon her removal from Marion county, she resided in Medford for 14 years. But was of late a resident of Portland.

The surviving children are, Mrs. Clara Drisko, Portland, Ore.; Wm. F. Farrier, Los Angeles; Mrs. J. H. Bowman, Medford, Ore.

The remains are in charge of Weeks-Conger Co., and will be forwarded this evening to Portland where funeral and interment will take place.

FRENCH SPORTS NOW WANT TO SEE J. DEMPSEY

PARIS, Oct. 12.—(By the Associated Press.)—French boxing promoters are maneuvering to bring Jack Dempsey, world's heavyweight champion, here for a battle with Battling Siki, Senegalese conqueror of Georges Carpentier, in December.

In sporting circles it is reported that directors of the new Buffalo velodrome, where Carpentier's eclipse occurred, have made overtures to Jack Koarna, Dempsey's manager, for a contest.

Amounts varying between one million and 1,500,000 francs have been mentioned as Dempsey's end of the

To Reduce Dangerous Varicose Veins

People who have swollen veins or lumps should not wait until they reach the bursting point, which means much suffering and loss of time, but should at once secure from any reliable druggist a two-ounce original bottle of Moone's Emerald Oil (full strength).

By using this powerful, yet harmless germicide treatment improvement is noticed in a few days and by its regular use, swollen veins will return to their normal size and sufferers will cease to worry. Moone's Emerald Oil treatment is used by physicians and in hospitals and is guaranteed to accomplish results or money returned.

It reduces all kinds of enlarged glands, goitres and veins and is used exclusively in many large factories as an unfailing first aid to the injured antiseptic. Your druggist can supply you. Adv.

GLoucester, Oct. 12.—(By Associated Press.) The Gloucester steamer Henry Ford today won the first of the elimination races to determine the challenge of the international fishing vessel race.

The seating capacity of the arena is 62,000 and the promoters said that with the American as the attraction they may be held enough to ask 400 francs each for 19,000 ringside seats and dispose of the lowest valued seats at twenty francs.

Heretofore, no French promoter has dared to ask more than 200 francs for ringside seats and at the
