

### PERSONALS

Chief Timothy was seen walking down the street this morning with a million bottle of denatured alcohol and it was at first thought that he had taken it from one of the deluded barbed-wire toppers, of which there are several in the city. It developed, however that he had not confiscated the liquid but had been forced to buy it to keep his fiver from freezing. He was at the time on the way to introduce it into the radiator of the faithful Lizzie.
