EAGLE POINT EAGLETS

A. C. Howlett

Mrs. C. S. Antle of Medford, and Geo. L. Neale of Central Point were among the passengers on the Butte Falls stage Tuesday and Mrs. Antle went on up to Lake creek on the Lake Creek stage to visit her son who is the merchant at that place, and Mr. Neale continued on to Butte Falls and from there he went out to the Howard ranch to conduct an auction sale of a lot of stock, household goods, furniture, farm implements, hay, etc., returning Thursday, taking dinner at the Sunnyside and going on out to Medford on the stage.

He reports that the sale was satisfactory and brought good prices, the hay in the barn bringing \$11 a ton. He was fortunate enough to come out from Butte Falls to Derby on a hack as the stage auto has stopped running over or rather through that route as the roads are so bad as to necessitate putting on a team to carry the mail matter out, so from now on until the roads dry up in the spring the mail will start from Butte Falls at 9 o'clock a. m. and meet the auto stage at Derby.

It is understood that the first unit of the Butte Falls-Eagle Point Irrigation system has been let to our principal contractor, Wm. Von der Hellen, about six miles, beginning at Butte Falls,

THE ISSUE IS LAW ENFORCEMENT

POLITICAL CONFIDENCE

We have no confidence in the political judgment of lawyers who advise us to support E. E. Kelly for Circuit Judge. We do have confidence in C. M. Thomas, who is our candidate for Circuit Judge. We want a Judge selected by the people and not by the political lawyers.

C. M. THOMAS

C. M. Thomas, our candidate for Circuit Judge has made a record during his residence in Jackson County, Oregon, which commends him to every law-abiding citizen as the proper person to be elected Circuit Judge. His record in the Legislature and in the State Senate and as School Director has always been right. He has always stood for law enforcement, for the enforcement of all the laws for all the people, not some of the laws against some of the people and for a violation of some of the laws by other people.

E. E. KELLY

E. E. Kelly's record in Jackson County is such that no person who stood for the enforcement of the Prohibition Law could possibly support him for the office of Circuit Judge. His entire record and especially his record as District Attorney has been and was such as to ally him definitely and absolutely as a sympathizer of the Liquor traffic and most of the men who are going about the district campaigning for him are known sympathizers of said illegal liquor traffic. We have a wet Sheriff and a wet District Attorney campaigning for E. E. Kelly. His campaign managers has always been wet and is so now.

OUR APPEAL

We appeal to every law-abiding citizen of both Jackson and Josephine Counties to work for and support C. M. Thomas for the office of Circuit Judge. A man in whose integrity, honesty and good character we have the utmost confidence. A man in whom our confidence is increasing every day because of the campaign he is making, demonstrating that he is a man of clean character, judicial temperament and in every way qualified to fill the office of Circuit Judge.

The campaign of E. E. Kelly and his followers has been the most malicious and vindictive campaign we have ever known to be carried on in the State of Oregon. In contrast is the campaign of C. M. Thomas, one of the cleanest campaigns we have ever seen carried on in this state. Unlimited sums of money are being expended in Kelly's behalf.

We say to all the Christian people that it is their duty to lay aside at this time all other occupations and devote their time to securing the election of Mr. Thomas as Circuit Judge.

WOMEN'S CHRISTIAN TEMPERANCE UNION OF MEDFORD OREGON.

THE ABOVE STATEMENT IS HEREBY APPROVED AND ENDORSED:

Women's Christian Temperance Union of Grants Pass, Oregon.

Women's Christian Temperance Union of Ashland, Oregon.

Vote 30 X for George W. Dunn for State Senator

George W. Dunn, the nominee of the Republican party, solicits your support at the coming election on November 7th. If elected, he promises to labor for strict economy in the conduct of the state's business; for more just and equitable assessment and taxation laws; for strict enforcement of the liquor laws.

He is opposed to the ownership or control of land in Oregon by Orientals. He is a firm believer in good roads and will endeavor to reduce the cost of maintaining and extending our highways.

He believes that it is the duty of all citizens to assist the duly constituted authorities in the enforcement of all laws to the end that the guilty may be legally punished and the innocent protected and vindicated, and that no person, no religious, fraternal or other society should take upon himself or themselves the functions of civil government but that every citizen should conform to the spirit and to the letter of the law as laid down in that immortal document—the Constitution of the United States of America.

He has no other purpose or ambition in going to the legislature than to serve faithfully and well the best interests of all the people of his native state and county and, if elected, he will to the best of his ability do so. —Paid adv.
