

## LAY ASIDE RANCOR - FOR THANKSGIVING URGES GOV. OLCOTT

SALEM, Nov. 18.—A proclamation issued by Governor Olcott calls upon the people of Oregon to lay aside any rancor which may exist and join in the observance of Thanksgiving day, November 23, in rendering thanks for the munificent blessings bestowed by an omniscient creator.

The proclamation follows: "In accordance with annual custom and following the suggestion of the president of the United States, Oregon again will lay aside her busy cares for a day to render thanks for the munificent blessings bestowed by an omniscient creator.

"For all of those blessings; for our resources; for our rugged land and our bewitching scenery; for brave and true hearts in men and women, freely may we pour out full mite of thanks as God has been bountiful, indeed.

"But may we also ask that this be a day of peace and forgiveness. That it may be a day on which the people set aside forever any ill-timed rancor, if such may exist. That the people of the state may remember above all that all are brothers and sisters, fellow Americans. That they may remember the true spirit of America gushes from a spring deeper than the superficial flow of factionalism or shallow feud.

"May it be a day of thanksgiving on which we all raise our voices in unison, remembering the time-honored injunction that we read the same Bible and worship the same God.

"Hours of tribulation and trial are sure to fall upon a people torn asunder by strife and dissension. Our democracy was cradled in the belief and nurtured in the thought that all men are created equal and given the inalienable right to worship God as their own conscience might dictate. Every nation that has strayed from that doctrine has been split on the rock of destruction or has toiled its weary way through centuries of blood, travail and tears.

"We are at the crossroads. To the right stands an America, imperishable upon the rock of eternal truth. To the left lies an America bleeding, torn by strife and dissension. May the God of our Fathers preserve us from pursuing the left hand turning.

"Firm in the belief that our people may throw aside the cause of strife and stand firm, united in common patriotism and that this may be a Thanksgiving day when a common voice raises itself to reach the ears of our common Creator, I, Ben W. Olcott, by virtue of the authority in me vested as governor of the state of Oregon, hereby do proclaim and declare Thursday, November 23, A. D. 1922, as Thanksgiving day within the state of Oregon.

"And may it bring years of contentment, happiness and harmony."

## Y. M. C. A. TOSSERS ARE ON TOES

With the close of the football season in sight, the minds of basketball enthusiasts among the Y. M. C. A. athletes is turning to the hoop game. It is confidently expected that at least all the four teams who played through such a successful schedule of baseball last spring will be in the running for the indoor sport.

A meeting of representatives of teams is called for Tuesday night at the library by Geo. J. Kunzman, chairman of the athletic department of the Medford Y. M. C. A. Some changes in eligibility rules are contemplated and official representatives should be appointed in each church to attend the meetings.

With the championship of last year to hark back to, the South Methodist team comes in this season with plenty of confidence. The Disciples, however, have hung up the championship banner for last season's baseball in their trophy room and will not be jolted out of the basketball pennant without a hard struggle. Other teams are perhaps as confident, so that a good season is assured.

## JAPAN BARS ANTI- REDS IN FLIGHT

TOKIO, Nov. 18.—(By the Associated Press)—Two Russian ships carrying defeated anti-soviet forces from Kamchatka, which arrived at Hakodate, Yezo, Japan, were ordered by the city officials to leave that port and have gone to Gensan to join the big colony of refugees there. The Korean government is said to be considering moving the refugees to some point in Korea where food is more easily obtainable.

The white, or anti-soviet forces, fled from Siberia when the Japanese evacuated Vladivostok October 26 and the red forces occupied the capital and other far eastern territory.

Used by Three Generations  
"I use Foley's Honey and Tar personally, give it to all my children and now to my grandchildren with the same good results. I tried many kinds of cough medicines, but never want anything but Foley's Honey and Tar," writes Mrs. E. K. Olson, Superior, Wis. Foley's Honey and Tar was established in 1875 and has stood the test of time serving three generations. It quickly relieves colds, coughs and croup, throat, chest and bronchial trouble. Sold everywhere. Adv.

## GRANTS PASS GIVES REPORT OF MEETING LOCAL CRATER CLUB

"The Cratermen are happy, for last night they again secured by their trip to Medford their coveted loving cup which had been taken back to Medford by one of the Craters after having been presented to Chief Big Horn," says the Grants Pass Courier.

"Paul MacDonald was hailed before the trial judge and after a long trial was found guilty. He produced the cup and paid a fine to the Craters. Mac almost got by on the grounds of insanity, many witnesses attesting to this condition, but Chiem Blanchard had his mind already made up and refused to consider the evidence produced by Prosecutor Chinnock or Niel Allen, attorney for the defense.

"The affair went off big. The Cratermen orchestra, made up of five of the hairiest cave-dwellers, furnished music during the meal. Bill Carnahan was master of ceremonies and had a real live program lined up. M. L. Opdycke gave one of the best collections of foolishness heard in years. The Craters fell hard for some of the stunts pulled by the visitors. A. G. Knapp and Mitch worked a phony stunt that got by big and the 'poem' read by the mayor of Murphy hit them hard. Louis Sauer in his well-known role of a 'hula' dancer had several of the Medfordites starting either for the Hawaiian Islands or for Grants Pass.

"The meeting did much to cement the friendship of the two organizations. E. W. Miller made a brief talk in which he urged that the two bodies work together for the common interest. An invitation to 'come again' was extended by the Craters. About 35 Cratermen made the trip."

## Cycol saves your engine from destructive "sulpho" compounds

Cycol is the motor oil made by the new Hexeon process—the effective method of removing destructive "sulpho" compounds.

Thus Cycol retains its "body," sustains an "oil tight" piston seal and maintains an unbroken lubricating film under terrific engine operating temperatures. That means it will prevent excessive friction wear and many lubricating troubles.

Flush your crankcase and refill it with the correct grade of Cycol Motor Oil.
