

Local and Personal

At the football party given by the pavilion management at the pavilion last night an unfortunate incident occurred. About ten-thirty a rock came flying through the window on the south end of the hall and luckily it hit no one. The rowdies escaped the clutches of Deputy Sheriff George Alden and of P. C. Bigham who went outside to investigate the cause of the disturbance. The pavilion management suggested that the act had been committed by some one jealous of the Medford high school football team to whom a handsome silver cup, inscribed "Southern Oregon Champions, 1922, presented by the Jackson County Amusement company" was presented. Jerry Jerome made the presentation speech while Captain Stockham of the team made a graceful speech of acceptance. A good crowd was present and enjoyed the dance.
