Sports A SECOND SIKI CARPENTIER GO SEEMS CERTAIN

PARIS, Dec. 11.—A second Carpentier-Siki fight seems to be a certainty according to Le Journal, which points out that President Rousseau of the boxing federation is inclined to be clement toward the Senegalese. "I will box Siki under any condition at a date to be fixed upon my return to Paris this evening," Carpentier telegraphed Le Journal from Brighton, England, last night. Please say that to beat Siki would be the greatest joy of my life, the telegram said. It added that Georges was to get the opinion of surgeons as to the condition of his hands which were injured in his bout with Siki. A report is current that Siki has disappeared, but neither his friends or the police seem unduly alarmed. The newspapers suggest that he has been spirited away from the clutches of interviewers. Siki offered today to deny in person that he had committed suicide or that he had been thrown into the Seine, as had been widely reported. Siki was limping painfully in his right leg as he left his suburban home and walked to the city gate, where he entered an automobile and disappeared. He avoided any explanation of the cause of his limp, which apparently accounted for reports that he had been thrown into the river. The Senegalese was absent yesterday and today from his usual haunts in the neighborhood of the Avenue Orleans. His wife explained that he stayed home Sunday to play with his dog.
