This IS SO—IF
YOU BELIEVE!
IT - OR NOT

Tom Meighan's best picture since "The Miracle Man." A wonderfully popular star in a role that fits him snug as a rubber glove; an enthralling story of turbulent love and the calm regeneration; an ideal supporting cast, headed by Theodore Roberts and Pauline Stark; the production selected by the late George Loane Tucker as a successor to his "Miracle Man." This picture has everything. You'll say so when you see it.
