

If You Need a Medicine You Should Have the Best

Have you ever stopped to reason why it is that so many products that are extensively advertised, all at once drop out of sight and are soon forgotten? The reason is plain—the article did not fulfill the promises of the manufacturer. This applies more particularly to a medicine. A medicinal preparation that has real curative value almost sells itself, as like an endless chain system the remedy is recommended by those who have been benefited, to those who are in need of it.

A prominent druggist says "Take for example Dr. Kilmer's Swamp-Root, a preparation I have sold for many years and never hesitate to recommend, for in almost every case it shows excellent results, as many of my customers testify. No other kidney remedy has so large a sale."

According to sworn statements and verified testimony of thousands who have used the preparation, the success of Dr. Kilmer's Swamp Root is due to the fact, so many people claim that it fulfills almost every wish in overcoming kidney, liver and bladder ailments, corrects urinary troubles and neutralizes the uric acid which causes rheumatism.

You may receive a sample bottle of Swamp-Root by Parcel Post, Address Dr. Kilmer & Co., Binghamton, N. Y., and enclose ten cents; also mention this paper. Large and medium size bottles for sale at all drug stores.

Built on Integrity

IN conducting our business we assume the responsibilities that belong to the business. It's our job to produce and supply to the orchardist and planter, true to name, well matured trees, delivered to him in prime condition.

You can't buy trees from us if we don't think we can satisfy you—and we consider no transaction closed otherwise.

Place your orders now for spring shipment.

JOY OF ASHLAND ELECTED PRESIDENT OF FARM BUREAU

The marketing day program yesterday of Farmer's Week and Home Makers' Week proved a big success in many ways. Prof. Reimer gave a report of the operations of the Farm Bureau exchange and Mr. Upton gave an outline of the work of the Farm Bureau for the past year.

Election of officers was held for the coming year for the Farm Bureau and the following were elected as officers and executive committee: Albert Joy, Ashland, president; F. E. Upton, Central Point, secretary and treasurer; Justin Judy, Medford, vice president; J. R. McCracken, talent, executive committee; and H. H. Clark, Central Point, executive committee. These five form an executive committee which handles and transacts the business of the Farm Bureau.

The project leaders of the various lines of work will be elected during the week, to head up the various projects under which work will be conducted during the coming year.

Home Makers Feature. Nutrition was the subject discussed on Wednesday by Miss Marjory Smith specialist in nutrition from O. A. C. extension department. In "Growth Material for the Child," and "Teeth in the Making," she gave much that was practical for the mother in wise food selection for growing boys and girls. Lantern slides showing malnourished and well-nourished children added much of interest to the lecture "How Do Your Children Do?" given at the afternoon session.

An excellent talk by Dr. Wm. P. Holt on "Infectious Diseases of Children" in which he gave the recognizable symptoms and character of measles, German measles, scarlet fever, mumps, chicken pox, small pox, and diphtheria was greatly appreciated by all mothers present.

Good Program On Friday. Dr. Brumbaugh, head of psychology of the O. A. C., will be in Medford Friday and give two addresses, one in the forenoon and one in the afternoon. His afternoon address, which will come at 3 o'clock will be in the large hall of the library, and both men and women are invited to attend this lecture. Those who have heard Dr. Brumbaugh for the past two years pronounce him one of the best speakers along this line that they have ever heard.

The lecture is considered a rare treat and it will do every father and mother good to hear this discourse on the psychology of the mind of the child as well as the mind of the grown-up. Every husband is urged to make a special effort to see that his wife attends, and the home demonstration agent says that it would pay every wife to see that her husband is present at 3 o'clock.

Information in the way of a telegram to County Agent Cate says that W. H. Dodson of the Portland Chamber of Commerce will be in Medford Saturday. This is the last day of Farmer's Week and a large attendance of farmers is expected and the members of the Chamber of Commerce and business men of Medford are especially invited to hear Mr. Dodson, as he will have an important message for them, as well as the farmers. Mr. Dodson will speak at the library about 2:30 p. m.

CORNS

Lift Off with Fingers

Doesn't hurt a bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Truly! Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

20 YEAR TERM IN SALEM GIVEN TO HIGHWAY BANDIT

GRANTS PASS, Ore., Jan. 11.—A sentence of 20 years in the state penitentiary was given Ellsworth Kelly today by Judge C. M. Thomas, after he had entered a plea of guilty to the charge of aiding and abetting a prisoner to escape from the county jail. Kelly and Oregon Jones were the two who made their escape over a month ago and were found at Evanston, Wyo. It was for this that Kelly was sentenced although he is implicated in several of the robberies around the city last summer, according to his confession.

Oregon and Dewey Jones both entered pleas of not guilty to the charge of highway robbery. Oregon made a complete confession, however several days ago and may change his plea later. The trial of Dewey Jones was set for next Monday morning at 3 o'clock.

This morning the officers were led to a spot near the reservoir where a large part of the dishes taken from the home of Mrs. J. M. Tetherow last summer were recovered. When dug up, only one plate was found to have been broken.

There were also some spoons and other articles of table silver that have not yet been identified. The linen and other articles taken from the Tetherow home were either sold or destroyed, according to Kelly. He states that he committed that robbery unaided and broke into the safe by himself. He refuses to implicate any other parties.

A large crowd assembled at the courthouse for the pleadings yesterday. As witnesses for the state, Frank Moreno and M. E. Johnson, of Stockton, have arrived to give their testimony of the holdup south of the city. The trial of Dewey Jones will be held Monday morning.

"Jazz" Edwards was sentenced to serve three years in the penitentiary, but was paroled by Judge Pollock, on condition that he pay \$25 a month to his family for their support. Should he fail at any time to pay this amount he will be subject to the sentence. He was charged with the robbery of a number of local homes.

SATURDAY TO BE MOTHER'S DAY

The program for Saturday of Home Maker's Week will be devoted to mothers instead of to the children, and all mothers are cordially invited to be present at both sessions.

In the morning the subject under discussion will be "The Analysis of the Home Maker's Job," and in the afternoon "The Place of the Home Demonstration Agent in the Life of the Community" will be discussed by Miss Grace C. Teich, the new home demonstration agent. Miss Cowgill of O. A. C. will take up "Boys and Girls' Club Work" with those who are interested at the afternoon program.

Cut This Out—It Is Worth Money. Cut out this slip, enclose with 5c and mail it to Foley & Co., 2835 Sheffield Ave., Chicago, Ill., writing your name and address clearly. You will receive in return a trial package containing Foley's Honey and Tar Compound for coughs, colds and croup; Foley Kidney Pills for pains in sides and back; rheumatism, backache, kidney and bladder ailments; and Foley Cathartic Tablets, a wholesome and thoroughly cleansing cathartic for constipation, biliousness, headaches, and sluggish bowels.
