SAVING IS KEEPING!

There is only *one thing that makes prosperity*—it is not earning money; it is not spending money—*it is saving money.*

Start the year 1923 by opening a *savings* account with us, by subscribing for shares of Installment Stock, payable \$1.00 per share monthly which earn 8%, compounded semi-annually.

Nine-tenths of getting ahead consists of laying something aside.

—John Wanamaker.
