A Word to the Wise

"In March I was called to the bedside of my sister in Brewton, Alabama. She was given up to die and was almost dead. Talked in a whisper. Doctors said nothing but an operation would save her and she was too weak for that. Her color was yellow as a pumpkin and she was filled with gas. That day I heard of May's Wonderful Remedy and went and got a bottle for her. In three weeks she was able to be about and walked a mile to church. I am praising your medicine to everyone." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by all druggists. Adv.

To sear the heart of a faithful wife:
"You boasting of his manliness! He prating of your purity! A pretty plot to fool me."

And because a husband who had wagered on the faith of his wife flung a taunt at her—faithful wife became court beauty, laughing at love until new love won a stress-call from her heart.

"Brand me! Burn your mark upon my forehead that the world may know I am yours forever. A weal of pain the symbol of my love!"

A Masterpiece. A Brilliant Romance of France's Gayest Courts.
