

BRINGING UP FATHER

By George McManus

EMIL COUE TO ENTER MOVIES

Motion pictures, the universal entertainment, have solved the problem of bringing M. Emil Coue's remarkable theory more directly before the public. According to communication received yesterday by J. A. Gage, Pacific Northwest manager of Educational Pictures, the man who is probably one of the best known in the entire world today has been engaged by Educational to make a short picture which will put his theory before audiences in every village and town in the country.

Public Entertainment Phoenix Wednesday

A public entertainment "that will entertain" will be given at the Phoenix school auditorium on Wednesday evening, January 31, for the benefit of "Boys' Work" in the community. Besides an address by Professor Vining of Ashland, there will be good music by the Phoenix quartette, etc., and a short play put on by the boys, under the direction of Superintendent G. W. Milam.
